SPECIFICATIONS

Overview

Man does this boat gleam. Used sparingly and stored inside, DOWNSIZED is a show condition Talara 29 Runabout with new exterior cushions, leather and canvas. The Hinckley name assures great looks and pedigree. Whether you are harbor cruising, tubing (nothing safer than a jet drive for that), or just getting from here to there, there is nothing like a Hinckley and now you can be in one at a fraction of the cost for a new one.

Basic Information

Category: Runabout

Sub Category: Cuddy

Model Year: 2005

Year Built: 2005

Country: United States

Vessel Top: Open

Cockpit: Yes

Dimensions

LOA: 29' 2" (8.89m)

Beam: 9' 1" (2.77m)

Max Draft: 1' 6" (0.46m)

Speed, Capacities and Weight

Cruise Speed: 27 Kts. (31 MPH)

Max Speed: 32 Kts. (37 MPH)

Displacement: 7500 Pounds

Water Capacity: 20 Gallons

Holding Tank: 10 Gallons

Fuel Capacity: 100 Gallons

Accommodations

Total Cabins: 1

Hull Material: Kevlar Composite

Hull Color: Flag Blue

Hull Designer: Bruce King

Engine Information

Engines: 1

Manufacturer: Yanmar

Model: 6LY2A-STP

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations

If there is one thing years of tradition teaches a boat builder it is how to lay out a boat. The comfortable, secure cockpit with seating for 8 is arranged to easily accommodate any activity. The Ralph Lauren “Beach Chair Stripe” gives an elegant look to the aft settee and mid bench, while solid blue Ralph Lauren marine fabric with contrast piping on the L-shaped settee and in the cuddy temper the look. The varnished cockpit table has a canvas cover to protect during swim time and a leaf that folds up to accommodate a larger lunch or hors d’oeuvres spread. There is a drink cooler for your soda, champagne or whatever, as well as a fold-up top and side curtains for the forward area if the weather deteriorates.

Up forward, behind the three pane wraparound windshield are two swivel chairs covered in white Ultra-Leather. To starboard is the helm with 14” stainless steel steering wheel with varnished teak rim, JetStick®, engine controls and navigation equipment.

The cuddy cabin entrance has a sliding door which opens into a cozy v-berth for naps finished in matching fabric and cherry wood hull sides in satin finish. There is an overhead hatch, reading lights and an electric Vacu-flush head.

Practical elegance may be the best way to describe this Hinckley T29.

Construction

DualGuard® constructed hull with Kevlar E-glass outer skin, balsa and Corecell foam and carbon inner skin. Hull is formed using SCRIMP technology to draw the vinylester resin through the entire laminate to seal the core and ensure uniform wet out.

Deck laminate is E-glass, balsa and Corecell foam formed with SCRIMP technology and has a molded non-skid pattern.

Hull is Flag Blue Awlgrip with Double White boot stripe and custom blue bottom paint.

Deck is Light Cream gel coat.

Engine

- Yanmar 6LY2A-STP 440 HP engine
- Hamilton 292 Jet Drive
- Twin Disc ZF IRM220 transmission
- 12v DC 5" bow thruster
