## 800hp CATERPILLAR 3406 Engines w/low hours!

---

Twin 800hp Caterpillar 3406 TA diesels with only 760 original hours.

These are very desirable engines to the standard 660hp CAT 3196 engines or the Detroit Diesels. She runs at 22 knots when turning only 1,800 rpm.

---

## Additional

---

Her 800 hp Caterpillar diesels power this yacht well beyond the performance of the typical Neptunus 54 Express and even beyond that of most other mid 50 foot hardtop express yachts built. New cabin wood tone flooring gives her the feel of a 'right out of the box' yacht. New high quality, zero maintenance, Nu-Teak cockpit decking provides a high end yacht floor without the expensive upkeep and treatment.

- Exclusions: Owners personal items.

---

## Exclusions

---

Owner's personal belongings.
