# ХАРАКТЕРИСТИКИ

## Обзор

This very well equipped boat has been cared for by a very conscientious and demanding owner. She has **bow and stern thrusters** as well as a **hydraulic platform lift and updated electronics**. The **Caterpillar 3208 diesels** have low hours and they enjoyed a **freshwater** environment for the majority of their lives.

This boat is extremely clean and will be a terrific boat for her next owner. She's ready for a Bahama cruise or a trip to the local restaurant. **GA**

## Основная информация

**Тип судна:** Крейсер

**Подкатегория:** Express

**Модельный год:** 2000

**Год постройки:** 2000

**Страна:** United States

## Accommodations

---

The cabin is entered to the left of the helm via a sliding companionway door. Descending three steps, the L-shaped galley will be immediately to port and features hide-away refrigerator/freezer, recessed cook-top, built in microwave oven, coffeemaker and plenty of storage. Opposite on starboard is the main salon area with built-in settee and recliner chair. The settee does convert to a double berth and there is a pedestal table with bi-fold top that can act as a dining table.

Moving forward, you will enter the master stateroom which features a centerline island pedestal berth, numerous storage lockers and private access to the master head. The master head is located on port, just forward of the galley area and features a stall shower and day access from the salon.

The guest stateroom is located at the aft end of the salon and has a large settee that pulls out to make a double berth. This allows the area to become an extension of the salon as a seating area when not in use as a stateroom. The space offers a good storage, a hide-away washer/dryer and a small private head.

The interior has a blond wood finish that creates a bright attractive space for all. There is wall to wall carpeting and a removable carpet cover that can be easily cleaned.

## NAV STATION

---

- Raymarine RL-80C color radar / plotter
- Garmin 740s color plotter
- Raymarine Tri-Data depth and speed
- Raymarine autopilot
- ICom VHF radio
- Bow thruster
- Stern Thruster
- Remote control spotlight
- Remote control electric windlass
- Trim Tabs
- Stereo system
- Wood accent tilt wheel hydraulic steering
- Full engine instrumentation
- Electric windshield vent window

## Additional features and benefits

---

- Hydraulic swim platform lift
- Bow and Stern Thrusters
- Washer / Dryer Combo
- Foredeck sunpads
- Stainless steel windshield
- Transom door
- SS boarding ladder
- Electric cockpit sunpad
- Electric convertible salon sofa
- TVs in staterooms

## Engine Room

Twin 435hp Caterpillar 3208 TA diesels with a patented underwater exhaust system. These are one of Caterpillar's most successful diesel engines. They're powerful and reliable engines that were in freshwater for most of their life.

The generator is the Westerbeke 8 kw diesel generator which was Sea Rays first choice in generators because of their reliability and lifespan.
