## Overview

---

The Kingfisher 2725 is one of the best selling aluminum coastal sport fishing machines in the market. Kingfishers are built for anglers who seek the maximum value, safety and performance from their cruising/fishing boat. She combines good goods, with a welded pilothouse structure and dynamic handling with a very well appointed comfortable cabin to meet any challenge you throw at her. The F/V Coast 2 Coast is focused on fishing, with trolling capabilities from her 9.9 hp Mercury Pro-kicker that will push her at 6 knots to a 30 knot cruise burning only 11 gallons an hour powered by a single Mercury Verado 250 hp outboard. WOT is in the low to mid 40 knot range.

Inside her pilothouse and cabin she has a v-berth forward, head, sink, AC/DC refrigerator, a dinette that can be made into a single berth and a two burner diesel fired cook-top/cabin heater. The aft deck, starboard side on the cabin bulkhead sports a second helm and engine controls. The Kingfisher 2725 offers a terrific cruising and fishing platform with a great ride, reliable turning and handling in the roughest of conditions.

## Basic Information

---

**Category:** Sport Fisherman

**Model Year:** 2007

**Year Built:** 2007

**Country:** United States

## Dimensions

---

**LOA:** 27' 2" (8.28m)

**Beam:** 8' 6" (2.59m)

## Speed, Capacities and Weight

---

**Cruise Speed:** 30 Kts. (35 MPH)

**Max Speed:** 46 Kts. (53 MPH)

**Displacement:** 4500 Pounds
