SPECIFICATIONS

Overview

Her beautiful lines may be the first thing you notice about the 480 Sedan Bridge. This is one of the most popular sedan bridges that Sea Ray ever made. She's equally impressive inside, with three private staterooms, two full heads, two entertainment centers and sleeping accommodations for many people. All new curtains thru out the interior.

Dancing Dolphins has just been detailed (Aug 2016) from the water line up and has all new canvas installed as well. This has got to be one of the cleanest 48' Sedan Bridges on the market today. Her next owner will reap all the benefits of the current owners constant attention and maintenance. The current owner is the original owner and she has been cared for the entire time and it shows.
