Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Master Stateroom

All the way aft, through a privacy door (you'll notice that this 53 offers a lot of privacy), in the Owner's area. The stateroom is full-beam and the main feature is the queen-sized berth (water tank underneath) with a full entertainment center built in. The soft goods are in excellent condition. Natural light/ventilation comes from four opening port lights plus the two escape hatches in the transom, all of which have privacy drapes. There is overhead lighting as well and the overhead vinyl is the white perforated type which was replaced recently. The portside chest of drawers abuts a lighted makeup vanity with parson's chair. The forward portion of the stateroom has two a bi-folding door behind which is a hanging locker with automatic light. Completely remodeled with marble counters, high gloss wood.

The ensuite head is identical to the guest head. Overall, the arrangement of the master stateroom shows brand new with excellent storage, and proves very livable by today's standards.

Guest Stateroom 1

Entry through a privacy door from the passageway just aft of the engine rooms. There are twin berths, with upholstered headboards and drawers under, separated by a night table with lamp. There is an overhead light plus a bullet light over each berth. A large mirror on the bulkhead reflects light from the two opening port lights w/ privacy drapes. A separate A/C control will be welcomed by guests, as well as a roomy hanging locker, outboard storage lockers.

Across the hall from the stateroom is the guest head. Entry through a privacy door reveals a cheery light, bright room with a white granite vanity, white porcelain sink, nautical flag motif wallpaper, opening port light w/ drapery, Raritan Crown), medicine cabinet w/ mirrors, beige vinyl sole, separate shower stall (with a seat) with it's own port light, an exhaust blower, fluorescent lighting. Hatteras has always excelled in the layout of a proper head and this one is a good example.

Galley

Entire galley removed and new galley built with all new high end appliances:

- o Dishwasher

- o Microwave oven combination unit
- o JennAir stove top unit
- o Trash compactor
- o refrigerator

Salon

- Total remodel from framing outward
- Hidden 42 inch Samsung TV
- Framless window frames
- LED lighting

Aft Deck

The original Hatteras factory sales brochure calls this area “a veritable oasis”. This Aft Deck is one of the nicest features on “Maggie Mae” since the last owner did a partial remodel for 4 years until 2009. This aft deck is air-conditioned for your comfort. She has custom windows all around and custom built in seating with storage. She has a built in wet bar, sink, icemaker, refrigerator and flatscreen TV. This covered aft deck is arguably the most important part of the boat: whether at the dock or at anchor, or during a slow cruise, this is the spot to relax with a drink and some friends to just watch the scenery. The oversized custom built rear windows open out for fresh air, and the wing doors which also allow access to the foredeck. The finishing touches for the next year make’s this area one the most remarkable areas on Maggie Mae.

This Aft Deck is a must see as the photos will never do her justice.

Electronics

2009-2011

- New 16000 BTU A/C- New 12000 BTU Self contained A/C
- New 7000 BTU A/C
