Overview

PRICE REDUCED....

She was re-powered in 1997 with Twin Cummins 6BTA5.9-M3 330 hp Diesel engines. Pier Pressure is a great example of a well taken care of sportfish. She has been well maintained and it shows from the first step into her salon to opening up the engine room looking in her bilges. Are you looking for a super clean well maintained boat that is absolutely ready to go? Call before she's gone.
