SPECIFICATIONS

Overview

The Pursuit 2470 Center Console is one of the most highly praised by experienced anglers, and is perhaps the most versatile fishing machine Pursuit makes. Certainly, she is one of the most popular. Offering as smooth, dry, and stable a ride as can be found in a boat of this size, family and friends can be taken far offshore with complete confidence. Yet she has the shallow draft and maneuverability wanted for inshore fishing. The 2470 Center Console is laid out to give all the open space needed to fight and land even the biggest fish. The integrated transom features a large bait and tackle rigging station, a freshwater sink with a spray hose, a cutting board, and a 30-gallon fish box. As on all Pursuits, the command console is a tilt-away design, giving the easy access to wiring that makes flush-mounting of electronics simple.

Basic Information

Category: Sport Fisherman

Model Year: 1999

Year Built: 1999

Country: United States

Dimensions

LOA: 24' 0" (7.32m)

Beam: 8' 6" (2.59m)

Min Draft: 1' 3" (0.38m)

Clearance: 6' 4" (1.93m)

Speed, Capacities and Weight

Displacement: 3400 Pounds

Water Capacity: 20 Gallons

Fuel Capacity: 150 Gallons

Accommodations

Total Heads: 1

Hull and Deck Information
