## Overview

The motor yacht “FANTOM “ is an inspiration, the dream-yacht which was made with love specially for an unforgettable holiday or for the a lifetime on board a luxury vessel.

This stylish boat was created in classical and timeless design which ensures the best possible floating capabilities and will be modern in every time.

Besides, the structure of a vessel guarantees the safety of being on board while crossing all the possible distances in the seas and oceans: “FANTOM” is extra heavy – made from steel. The round streamlined hull gives maximum fuel and speed efficiency in combination with the large fuel tank gives all the possibilities very long sea-crossing route.

The mesmeric atmosphere of the interiors is created due for efforts of the leading European desiners, which decorated inside with handcrafted wood works, lavish contemporary furnishings, the last models of household appliances and different devices and a very powerful AC-system which will float you in a sensuous and romantic ambience of light and space comfortable like staying in home during your trip.

**FEATURES:** • Power-assisted electro-hydraulic steering system • Bow thruster (300kgf/) • 24v DC/240v AC electrical system • 240v shore power with 3 x 60-amp float battery chargers • 220v/240v diesel generator (2 x 27kW) Kohler (78hr / 49hr) • Full air conditioning • Electric stern rope mooring winches • Dual station twin hydraulic anchor winches • Deck/anchor wash • Station electro-hydraulic trim tabs with indicators • Station autopilot • Station VHF with DSC R/T with intercom • Dual station colour radar/chart plotter/GPS • Dual station speed and distance log • Dual station echo sounder with alarm • Station remote control searchlight • Combination microwave/conventional oven/grill • Dual full height refrigerator and deep freeze • Flybridge wetbar including sink, electric barbecue and refrigerator • Dishwasher • Electric freshwater toilets with holding tank • Saloon LED TV with DVD and surround-sound system • LED TV in all staterooms • Flybridge stereo radio/iPod, MP3 dock • Teak-laid transom platform/cockpit deck/flybridge stairway/stairs to side decks • Teak-laid side decks, foredeck walkthrough and flybridge • Flybridge sunbed and cushions • Opening the door to the righth side of the deck • Stainless-steel framed saloon doors • Remote control telescopic passerelle • coffee machine • Hot and cold transom shower • Two fully fitted crew cabins with crew mess and laundry • Cockpit cover

**ENGINE** Twin VOLVO PENTA D9A-CR1?R2 (2x261 Kw) Diesel Engine Hours - Pt 62 hr / Stbrd 62 hr Speed range: 12 knots **DECK FITTINGS** • Teak-laid transom platform, cockpit deck, stairway to flybridge, side decks, foredeck walkthrough and flybridge • Twin steel anchors 90kg with 100m of chain (each) • Deck chain stoppers (2) • Twin hydraulic anchor winches with rope capstans with foredeck and three station operation • Anchor wash/deck wash facility with fore deck and aft deck outlets • Twin stemhead

rollers with automatic anchor launch and self stowing facility • Two mooring bollards forward with rope fairleads • Two sets of spring cleats • Stern line mooring winches port and starboard (24v) • Two stern mooring cleats and fairleads • Two bathing platform cleats • All cleats and bollards in stainless steel • Coachroof sunbed recess with cushions and storage facility • Coachroof storage locker for fenders and rope • Coachroof fore and aft seating/sunbed area with stowable table • Stainless-steel pulpit side stanchions and guardrails • Navigation lights and riding light • Dual station remote control searchlight • 240v shore-power inlets each with 20m (65ft) • Fuel fillers port and starboard • Water filler • Twin horns • Swimming ladder • Transom shower

**COCKPIT** • Self draining cockpit • Upholstered seating aft with table and chairs (to seat 6) • Overhead and deck level lighting • Stainless-steel handrails • Remote control 4.4m telescopic passerelle with folding handrail • Access to remote fuel valves for engines and generators and manual override for engine room fire system • Storage lockers • Twin gates to bathing platform • Access door to crew cabin and engine room (from side deck) • Lazarette

**FLYBRIDGE** • Dual station instrument controls • Helm position with hydraulically raised instrument console • Radar/chartplotter with 12" screen • Power-assisted electro-hydraulic steering with adjustable wheel • Visual and audible warning system for bilge pumps, engine room fire extinguishers, fuel filters, exhaust temperatures and engine oil pressure and water temperature • Adjustable helm seat • Large U-shaped seating/dining area • Raised sunbed with storage below • Stereo radio/iPod, MP3 dock • Console and seat covers • Sink with electric barbecue, and refrigerated icebox plus storage • Life raft storage brackets • Deck level lighting • Area for occasional seating and tender/jet ski storage • Crane (550kg) • Jetski Bombardier • boat

**WHEELHOUSE** • Adjustable helm seat • Instrument console with engine instruments also incorporating raw water exhaust temperature alarm system, fuel filter alarm system and fuel gauges • Dual station instruments and controls at Flybridge and Wheelhouse: • Rudder position indication • Electronic engine controls • Power-assisted electro-hydraulic steering with adjustable steering wheel • Bow thruster control • Trim tab controls with indicators • Autopilot • VHF with DSC R/T with intercom - NAVTEX receiver • Colour radar (with scanner) & GPS/Chartplotter (twin 12" displays at lower helm and single 12" display at upper helm) • DSC recorder COMPAS-SARSAT • DSC watch receiver - Ship's radar transponder • Radiotelephony GPS • IMMARSAT ship earth station AIS • SSAS • All electronic navigation equipment interfaced with radar and autopilot • Speed and distance log • Echo sounder with alarm • Speed/log linked to autopilot and interfaced GPS/chart plotter and open scan radar • Magnetic compass • Horn button • Remote control searchlight • Chart table with light and chart storage • Main electrical switch panel (24v and 240v) • Intercom to flybridge and all cabins • Loudhailer and fog horn • CCTV linked into chartplotter display at lower helm served by fixed cameras in engine room and at stern • 240v power outlet • Dual windscreen wipers with variable speeds • Overhead lighting • Fire extinguisher • Access door to side deck • Access to saloon and galley • 12v outlet • Red night lighting • Refrigerator • Timber flooring

**DECK SALOON** • Seating area with larger L-shaped sofa • Coffee table • 40" HD LED TV on electric lift system • Radio/DVD Blue-ray system and 5.1 AV surround sound system • Sideboard units

containing drinks refrigerator, bottle and glassware storage • Panoramic tinted toughened glass windows port and starboard • Stainless-steel framed cockpit dual doors • Air conditioning/heating outlets • Overhead and concealed lighting with dimmer (24v) • Blinds and/or curtains to all doors and windows • Fitted carpet

**DINING AREA** • Dining table marble worksurface • Dining chairs (6) • Tinted toughened glass windows with blinds/curtains • Optional balcony access • Air conditioning/heating outlets • Overhead and concealed lighting (24v with dimmer) • Storage area for cutlery and crockery Saloon head • Electric freshwater toilet • Tiled floor • Storage cupboard

**GALLEY** • Four ring ceramic hob • Microwave/conventional oven with grill • Full size twin refrigerator and deep freeze • Stainless-steel sinks with chopper • Dishwasher • High and low level storage cupboards and drawers • Extractor fan • Venetian blinds/curtains to windows • Cutlery and crockery storage • Microwave • coffee machine • Access to wheelhouse and dining area • Marble floors

**ACCOMMODATION** • All cabins and bathrooms feature opening portholes and 240v power points • All en-suites feature electric freshwater toilets with holding tank, 240v shaver points and marble floors • Curtains, blinds or sunscreens to all windows and portholes

**MASTER CABIN** • Large double bed with bedside tables and drawers below • Wardrobes with hanging and drawer storage • Starboard seating with table • 32" HD LED TV • Radio/DVD Blu-ray system and 2.1 AV surround sound system • Refrigerator • Overhead and concealed 24v lighting with dimmer • Bedside wall lights • Built-in safe • Air conditioning/heating outlets • Fitted carpet

**MASTER HEAD:** • Wash basin with marble worksurface • Stall shower • Bidet • Extractor fan • Heated towel rail • Storage cupboards • Bathroom accessories

**FORWARD GUEST CABIN** • Twin single beds • Walk-in wardrobe with both hanging and storage facilities • Drawer/cupboard storage • Refrigerator • 32" HD LED TV • Overhead and concealed 24v lighting with dimmer • Bedside wall lights • Air conditioning/heating outlets • Fitted carpet

**FORWARD GUEST HEAD:** • Washbasin • Stall shower • Extractor fan • Heated towel rail • Storage cupboards • Bathroom accessories

**STARBOARD STATEROOM** • Twin single beds with drawers below • Wardrobe • Drawer/cupboard storage • 32" HD LED TV • Radio/iPod • Overhead and concealed 24v lighting with dimmer • Bedside wall lights • Air conditioning/heating outlets • Fitted carpet

**STARBOARD GUEST HEAD:** • Washbasin • Stall shower • Extractor fan • Heated towel rail • Storage cupboards • Bathroom accessories

**PORT GUEST CABIN** • Twin single beds with drawers below • Wardrobe • 32" HD LED TV • Storage drawers and lockers • Overhead and concealed 24v lighting with dimmer • Bedside wall lights • Air conditioning/heating outlets • Fitted carpet

**PORT GUEST HEAD:** • Washbasin • Stall shower • Extractor fan • Heated towel rail • Storage cupboards • Bathroom accessories

**CREW QUARTERS** • Captain's cabin with double berth, desk, wardrobe, drawers and storage locker • Crew cabin with two single berths, wardrobe and storage lockers • Air conditioning/heating outlets in both cabins, bathroom and crew mess area • Both cabins have opening portlights • Bathroom with separate stall

shower, electric freshwater toilet and washbasin • washer/dryer POWER AND DRIVE SYSTEMS • Raw water temperature warning lights and buzzers at both helm positions • 5 bladed propellers in nickel aluminium bronze • Hydraulic bow thruster • Engine room lighting • Electronic engine and gear shift control systems • Power-assisted electro-hydraulic steering system • Dual station electro-hydraulic trim tabs with indicators • Dripless shaft seals ELECTRICAL SYSTEMS 24 Volt: • 4 x heavy duty batteries for engine starting • 6 x heavy duty auxiliary batteries • Battery link facility with remote control at helm position • Additional battery bank for generators • Engine alternators charge both banks of batteries via automatic switch charging system • 3 x 20-amp 24v float battery chargers charge both banks of batteries via automatic switch charging system • Remote battery isolator control switches at main switch panel position • Circuit breakers on all circuits • 24v to 12v converters for certain navigation and radio circuits • 24v to 240v/50Hz inverter for saloon stereo, galley fridge • Galvanic isolation system 220/240 Volt: • European specification: 2 x 27kW @ 50Hz diesel generators in own sound shields, water cooled and with specially silenced exhaust systems and with remote operation from main control panel • 3 x 60-amp shore support inlets 20m/65ft each) • Shore power/generator change over control operated from main control panel • Polarity check system • Earth leakage safety trip, circuit breakers on all circuits • Power points (240v) in all cabins and living areas, helm position and galley • 240v shaver points in washrooms • 3kW immersion heater for fresh water FUEL SYSTEM • Main fuel tank with fuel polishing transfer system to day tank giving a total of 3566 gal/13500l of fuel capacity • Fuel fillers to port and starboard • High capacity duplex fuel filters/water traps with integral changeover valves and water sensors connected to alarms at both helm positions • Remote fuel isolation controls in cockpit locker for main engines and generators • Fuel gauges at lower and upper helm positions WATER SYSTEM • Water tanks in heavy duty polypropylene giving 1849 gal/7000l capacity plus 45 gallons/54 US gallons (205 litres) hot water calorifier • Water level gauge • Deck filler • Automatic water pump with filters • Pump circuit breaker at main switch panel • Level contents gauge on main switch panel BILGE PUMPS • Automatic electric bilge pumps (with manual override) in machinery spaces, forward accommodation and crew accommodation • Individual bilge indicator warning lights at helm with time delay operated audible alarm (and flybridge repeater warning lights and alarm) • High capacity manual bilge system with suction points in the same areas AIR CONDITIONING • Chilled water reverse cycle air conditioning/heating units EXTINGUISHERS/FIRE CONTROL SYSTEMS • Automatic engine room fire extinguisher system (with manual override) and warning system at both helm positions providing automatic shutdown of engines, generators and ventilation fans • Automatically operated engine room air shutoff system

**SAFETY EQUIPMENT** • state of the art fire detection/alarm systems • fire hoses fed via a seawater booster pump • fire extinguishers • designated escape routes ample number of life jackets with emergency whistles • safety buoys • First Aid kits. • 1 rescue capable of accommodating of 4 persons • 2 liferafts for wich approved launching devices a required capable of accommodating 2x12 persons • 4 lifebuoys • 16

lifejackets

**Beam:** 21' 4" (6.50m)

**Min Draft:** 5' 7" (1.70m)

**Max Draft:** 5' 7" (1.70m)

---

## Speed, Capacities and Weight

---

**Max Speed:** 12 Kts. (14 MPH)

**Gross Tonnage:** 78 Pounds

**Water Capacity:** 1849.204364 Gallons

**Holding Tank:** 1056.688208 Gallons

**Fuel Capacity:** 3566.322702 Gallons

---

## Accommodations

---

**Total Cabins:** 4

**Total Berths:** 5

**Sleeps:** 8

**Total Heads:** 5

**Captain Cabin:** True

**Crew Cabin:** 2

**Crew Berths:** 3

**Crew Sleeps:** 3

**Crew Heads:** 1

---

## Hull and Deck Information

---

**Hull Material:** Steel

**Deck Material:** Teak

**Hull Configuration:** Full Displacement    **Hull Color:** navy blue

**Hull Finish:** Plastic

---

## Engine Information

---

**Engines:** 2

**Manufacturer:** Volvo

**Model:** PENTA D9A-C R1/R2

**Engine Type:** Inboard

**Fuel Type:** Diesel
