Overview

Entering the main salon from the aft deck, one is greeted by the warm, inviting atmosphere created by a combination of piano finished high gloss cherry wood cabinetry with camphor burl inlays and trim. The use of rich textured fabrics; wall coverings and carpeting with indirect halogen lighting further enhance the ambiance of the room. Forward and two steps up from the salon is the gourmet galley, dining area and powder room/day head. Port and starboard aircraft style side entry doors are located forward in this area. Immediately to starboard is a curved stairwell leading up to the flybridge/helm. Another stairwell forward to starboard leads down to the full beam master stateroom with his and her baths, VIP guest stateroom and twin guest stateroom both with baths en suite. The captain and crew staterooms, utility room and engine room, located below deck aft, are accessed from the interior via a stairwell on the port side aft in the main salon.

DETAILED INFORMATION

Salon

The main salon is accessed from the aft deck through a heavy stainless steel framed/glass sliding door. Across the starboard side is a Built-in high gloss cherry wood cabinetry housing the wet bar. The entertainment center features a 42" plasma screen TV monitor on a remote controlled electric lift which disappears into the cabinetry. In addition, state of the art audio components offer six channel Dolby Digital home theater surround sound. A variety of lighting schemes are available to create many different moods, from subtle ambiance to day-bright reading light. Custom blinds and drapes behind cherry wood frames control privacy and light.

Galley

The spacious galley is located forward of the salon on the port side. All countertops and backsplashes are done in a granite pattern which perfectly accents the cherry wood faced appliances and cabinets as well as the teak with holly inlay sole. The galley is open forward to the dining area with a rectangular high gloss varnished teak table surrounded on three sides by a leather settee and two hide away leather topped stools. Total seating is for six in a "country kitchen" atmosphere. A 10" LCD thin screen TV on a swivel bracket is mounted under the overhead galley cabinets making it visible from the dining table or the galley.

Master Stateroom

The master stateroom is full beam and features a king size bed and storage beneath. Aft of the bed with entry doors port and starboard are his and her baths with Travertine marble floors and counters, Jadco fixtures, Head hunter heads and high gloss cherry/camphor wood trim. The baths are separated by an oversize Jacuzzi tub w/shower. The aft bulkhead of the stateroom is mirrored in a sunburst pattern lending to the feeling of spaciousness. Built in night stands flank the bed on either side. On the

starboard side is a built-in upholstered seat and additional dresser. The forward corners of the room evidence the masterful joiner work as gently curved cherry wood doors open to his and hers closets. Built into the forward bulkhead is the 24" TV and VCR. The stereo system and DSS receiver are built in above the TV in a cabinet.

VIP Stateroom

The VIP guest stateroom is located all the way forward. Features include a queen size bed w/storage below, 2 hanging lockers, TV with built in VCR and an AM/FM stereo w/DSS receiver. The bulkhead is mirrored in a sunburst pattern similar to the master. Built-in night stands are on either side of the berth. The en suite bath includes an oversize stall shower, Headhunter head, Jadco fixtures and Travertine marble floors and counters.

Guest Stateroom

The guest stateroom has twin berths separated by a built-in night stand with storage drawers below. A 10" flat screen TV is built-in overhead. A bath with stall shower, Travertine marble floors and counters, Vacuflush head and Grohe fixtures is en suite.

Captain & Guest/Crew Stateroom

Captain Quarters:

The generous captain's cabin features a double berth with custom innerspring mattress, built-in night stand with drawers below, adjustable halogen reading light and hanging locker. A 13" TV/VCR is built in overhead.

Guest / Crew Quarters:

The crew cabin has upper and lower berths. The upper berth is hinged and swings down to convert to a lounge. A 32" high built-in chest of drawers serves as a night stand and has a pull-out desk top extension. A 13" TV/VCR is built in over head. The crew's cabin and captain's cabin are both finished in high gloss cherry & camphor with the same attention to detail as is found throughout.

Aft of the crew's cabin on the port side is the UTILITY/STORAGE ROOM with abundant storage cabinets built-in over head and below. A Sub Zero freezer and refrigerator are stacked and built in at the entrance. To starboard, aft, is a concealed 2 burner cook top and utility sink and built in wine cooler. The floor and gangways aft are covered in marine blue Pirelli rubber tiles. One double storage closet plus additional closet.
