Remarks

This vessel is a timeless classic. She is one of three 44' Express boats built by Rybovich. She has benefited from knowledgeable owners and has always been maintained to the highest standards. In recent years, the boat has been repainted, had a total interior refit at Rybovich, new teak deck and covering boards, and more. The bottom was soda blasted in November 2014 and new LED tower lights, running lights, and interior accent

lights were done in March 2015. She is truly turn-key and ready to make her next owner proud!
