SPECIFICATIONS

Overview

Helicorne II is a very well equipped and seaworthy yacht for long passages shorthanded. This magnificent Yacht was designed by Ed Dubois and built in the well renowned French yard Wauquiez and is equipped for ocean passagemaking and liveaboard.

Cruising equipment includes watermaker, solar panels, wind generator, diesel gen set, washing machine and dryer. All sail handling can be done from the protection of the cockpit. The current owners have spent the last 10 Years, sailing extensively the South Atlantic and the Caribbean.

Yacht is currently in Belize and will be arriving in Florida in mid-June. She will stay in the U.S. for about a month and if not sold will be shipped to Europe.
