SPECIFICATIONS

Overview

Sweet Dreams" is an especially clean and well-equipped example of the popular Cruisers 405 Motoryacht.. She has relatively low hours (990) on her preferred Volvo 430hp TAMD 74 EDCs, Inflatable dinghy (new Yamaha 2014) , SAT TV system, full Raymarine electronics package, full canvas enclosure with screens, bow thruster, and so much more! "Sweet Dreams" has seen very light use over the years, and she represents an excellent opportunity for anyone that is interested in a turn-key yacht that is literally ready to go. Beautiful cherry wood interior, neutral ultra-leather salon furniture, a tremendous amount of seating at the bridge deck, easy access fiberglass steps from cockpit, and excellent layout make this yacht stand out among her competition. She feels just like an express yacht at the helm deck, but then a true aft-cabin motoryacht below. Amazing design! This one must be seen! One of very few available with the larger and preferred Volvo engine package. Currently docked at Whitehouse Cove Marina in Poquoson, VA.

Basic Information

Category: Motor Yacht

Model Year: 2003

Model: TAMD 74 EDC

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accomodations & Layout

The Cruisers 405 offers its owners a very unique layout both below and above decks. Entering the salon and to starboard is a very functional and well laid out galley that features corian countertops, a 2 burner ceramic cooktop stove, a Sharp microwave convection oven, a full size refrigerator/freezer, double stainless steel sinks, Insignia flat screen TV, and ample prep and storage areas. The salon is wide open and very airy. It features a large L-shaped (convertible) settee to port, and a roomy dinette to starboard. The master stateroom is aft and features an ensuite head, Insignia flat screen TV, and a walkaround queen berth. This stateroom truly has the feel of a much larger boat! Forward is the VIP stateroom which features an island bed and a well thought out split head arrangement. The entire interior of the boat is finished in a beautiful cherry wood and the attention to detail is apparent immediately. Very well done!

The bridge is state of the art and includes a hardtop, full enclosure, , up to date full electronics, and a bow thruster. There is an abundance of seating for owners and their guests. (see photos) Another notable feature is the engine room...it is spacious in relation to most 40' motor yachts. In addition she has a washer/dryer in the master. The aft deck should be mentioned also because it is very roomy and includes a wet bar and molded steps to the swim platform. Overall this is a very roomy motor yacht that is very stylish with great lines and the preferred engine package that allows her to cruise easily in the low 20's.

- Washer/ Dryer

Galley

Galley

Additional Notes

Additional This vessel is in great shape and has been babied since new. Her preferred engine package is the absolute way to go. With just about every option that was available and some additions that most boats are missing, she represents the best buy on the 405 market today. Owners have had a change in plans, and have priced this well-equipped yacht at a very competitive asking price.
