Overview

WOW...Consider having this water adventure.... being able to purchase your 43' Grand Banks East Bay in Holland/ Netherlands and cruising her all over Europe's waters and then have her shipped back to the US without having the cost of paying US duty to bring her back into the US. The current owner purchased Nomad from Florida and cruised her in the Netherlands, updated her and now is offering her on the market in Europe. Nomad represents a very clean and well cared for yacht that has cruised all around the world. Nomad, has many upgrades to surround you in luxury and comfort. Her systems have been well maintained and constantly looked after having a very good spirit, from her owners. Nomad is always at home at any Vintage Port!

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Manufacturer: Yanmar

Model: 6CXM-GTE

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

Welcome aboard Nomad! From her spacious cockpit (with a custom Bahama cockpit awning to offer shade from the sun) you will see a walk-thru transom door to the hydraulic swimming platform which is perfect for either a tender or diving. Take a few short steps to the air conditioned helm deck that has a super layout with bench seat, icemaker, Stidd helm to starboard and a L-shaped lounge along with a teak folding table and Nav station to port.

The helm deck can seat 8 people and is the best of both worlds: Fully A/C when enclosed or wide open with sliding side windows and a large swing-out windshield center window, plus a fully open aft, for plenty of fresh air.

Then take a few steps down to the grand salon with the gourmet galley to port. A nice sized L-shaped settee and table is across from the galley. Moving forward in the salon to port are two over/under bunks and forward is the Master Queen Island centerline berth. To starboard is a comfortably sized head with a separate shower. All the salon decks are beautiful teak and holly sole. Teak accents are on the bulkhead with very clean and elegant lines.

On deck topside there are wide side decks with Awlgrip, non-skid surfaces. The forward deck is also all non-skid with high bow rails, extra rails for holding onto, teak cover boards with canvas covers, heavy duty ground tackle, a stainless steel anchor pulpit, oversized stainless steel cleats, remote windlass, chrome stainless steel hatches and an overbuilt windshield and hardtop.

Salon/Dinette/Galley

- Top loader, cold Coolmatic freezer box (insulated only)
- Refrigerator/freezer under counter
- Corian fiddled counter tops
- 3 burner propane stove with vent fan
- Princess oven
