Overview

This beautiful Pursuit 3000 Offshore has been one of the preeminent offshore fishing vessels in her class ever since Pursuit introduced this design back in 1995. The 3000 Offshore is built on a smooth running modified V-Hull with a dry riding well-flared bow, a relatively wide beam at 12', and a comfortable 19 degree transom deadrise. The twin 260 HP Volvo Diesel Inboards power the boat VERY economically. A complete set of electronics and all the fishing equipment a serious angler could ask for as well as a spacious air conditioned cabin will make both the cruiser and fisherman happy. The "Power Boat Guide" says; "A great-looking boat with a sexy, semi-custom profile, the Pursuit 3000 Offshore is loaded with a blend of practical features that place her AMONG THE BEST PRODUCTION DESIGNS EVER BUILT IN THIS CLASS." Come see this beautiful boat now--you will not be disappointed!

DETAILED INFORMATION

Vessel Walkthrough & Accommodations

Board vessel through transom door or over cockpit bulwarks into the 60 square foot cockpit, which is thoroughly equipped with all of the fishing equipment you could ask for. Amidships is a tackle storage/sink/work/bait station directly behind the helm, which is also amidships. There is seating for six in the helm area including the captain's chair. The helm deck mechanically raises for engine access and there is also a day hatch to check the engines. Forward via the side decks to the foredeck are hand rails and the ground tackle/windlass. Below decks one is surprised by the large size of the air conditioned cabin, sleeping room for 4, and seemingly unending storage compartments in a very nice teak finish cabinetry and teak and holly sole.
