Silhouette blinds for desired natural lighting and additional privacy

Teak cabinetry with drawers with finished maple interior

Teak valances

Vinyl Amtico flooring at salon entrance

Brushed nickel hardware throughout

#### GALLEY/DINETTE

Optional Galley Counter-Top Island Layout with Sandlewood counter top

Custom Amtico flooring

Custom sink

Dinette couch with removable cushions and storage underneath

Dinette table, teak, high-gloss finish with single pedestal Teak

Electrical sub-panel for galley appliances

Electric range, 3-burner

Galley countertop, high-gloss Sandlewood

Lights, overhead LED

Microwave/convection oven located in upper galley cabinet above sink

Refrigerator and freezer, Sub-Zero combo, large capacity, deep-drawer under-counter style with varnished teak faces.

Sink, Sandlewood Corian molded-in countertop with satin nickel galley faucet

Storage cabinets in upper galley, varnished teak doors with deep, pullout drawers

Storage cabinets and drawers in lower galley, varnished teak doors and faces with utensils and other items. Finished maple interiors

Custom Amtico Flooring, classic Walnut

Water tank level gauge located in galley sub-panel

Garbage disposal

## COMPANIONWAY

Awlgrip bilge areas with access hatches, snow white and lighted for easier maintenance and cleaning

Carpeting, carpeted steps from galley to companionway

Central vacuum unit connection with accessories

Laundry center with stackable front loading washer and dryer behind teak door

Lighting, overhead LED lights recessed in headliner

Headliner, natural color

Wall panels, natural color headliner individually installed with Velcro backing for easy maintenance

Costa, canvas carpet runner w/ step covers

Vertical teak strips

## **MASTER STATEROOM - Starboard**

Air conditioning with reverse cycle heat with temperature control

Bedsread – designer style

Carpeting

Custom wallpaper

Dimmers on overhead lights

Drawer storage under bed, (2) large drawers

End tables, teak on either side of bed with drawer storage

Entry credenza with drawer storage

Hanging locker, teak, finished maple interior and spacious

Custom Headboard, upholstered

Lighting, overhead LED lights and decorative indirect rope lighting from underneath bed platform

Headliner, natural color

Pillow shams (2)

Queen-size, walk-around fore and aft bed, lift up top with gas pistons and finished maple interiors for storage underneath

Reading lights, overhead with separate switches

Sheets (1 set), fitted cotton fabric

Stereo speakers

TV, 32" Samsung flat-screen

## **MASTER HEAD**

Custom Wallpaper

Custom frameless shower door, brush finish

Air conditioning/heat with vent in soffit

Dometic electric heads

Exhaust fan with vent soffit

Lower vanity with teak face

Lights, overhead LED lights recessed in soffit and in ceiling

Mirrored wall behind upper vanity, medicine cabinet with doors

Cambria counter top with rounded edges and sink with satin nickel faucet

Receptacle

Shower door single piece glass with satin nickel hardware

Shower light

Stall shower, fiberglass with satin nickel shower fixtures and with drain to automatic sump pump in bilge

Towel bars and rings – satin nickel

Custom Amtico flooring

## **VIP CROSSOVER STATEROOM (FORWARD)**

VIP crossover layout top bunk wider

Air conditioning with reverse cycle heat with temperature control

Bedsread, designer style

Carpeting

Custom wallpaper

Dimmers on overhead low voltage AC lights

Hanging locker, teak, maple-lined and spacious

Lighting overhead LED lights and decorative rope lighting underneath bed platform and behind valances

Headliner, natural color

Access to head

Reading lights with separate switches

Sheets, (1 set), fitted cotton fabric

Stereo speakers recessed tied into salon stereo with remote control

Storage cabinets, port and starboard sides of bed, teak, finished maple interiors

Storage drawers under bed, (2) large drawers

Teak shelf

TV, 19" Samsung flat screen television

## **GUEST HEAD**

Air conditioning/heat with vent in soffit

Dometic electric heads

Exhaust fan with vent soffit

Lower vanity with teak door

Lights, overhead LED lights recessed in soffit and in ceiling

Mirrored doors behind upper vanity, medicine cabinet with doors

Counter top with rounded edges and sink with satin nickel faucet

Receptacle

Shower door single piece glass with satin nickel hardware

Shower light

Stall shower, fiberglass with satin nickel shower fixtures and with drain to automatic sump pump in bilge

Towel bars and rings – satin nickel

Custom Amtico vinyl floor

## **GUEST STATEROOM (PORT)**

Air conditioning with reverse cycle heat with temperature control

Bedspread, designer style

Carpeting

Hanging locker, maple-lined

Lighting, overhead LED lights and courtesy rope lighting underneath lower bunk rail

Headliner, natural color

Access to head

Sheets, (1 set), fitted cotton fabric

Over and under bunks

Stereo speakers recessed in tied into salon stereo with remote control

Storage drawer located under hanging locker

TV, 19" Samsung flat screen television

## **FLYBRIDGE**

Bridge installed without exposed fasteners

Center console walk around helm with electronic storage in raised pod with additional storage

Controls: Top mounted single lever electronic controls with station select and Keypad with bow thruster in handles

Cushions, ultra leather, Buckskin

Electronic trolling valves

Extended overhang for extra room to move around behind helm and companion seats with anodized aluminum aft railing

SeaFire system control with automatic and manual discharge and override system located at console

Hatch cover

Furuno RD-33 depth finder / sea temperature gauge

Refrigerator under seat

Handrails

Lighted compass, flush-mounted on centerline

Lounge seating to port and starboard and at forward end of helm console with ultra-leather

Non-skid deck molded for traction and durability

Port jump seat facing aft, hinged for access to bucket storage beneath at aft end of starboard lounge

Power assist steering

Recessed electronics box in console for custom electronics package that is easily viewable and protected from the elements by acrylic fitted lids with gaskets and stainless steel gas pistons

Recessed radio box

Red, white, blue LED rope lighting around bottom of Helm console

Refrigerated bridge drink box or freezer

Release teak helm pod w/single lever controls and bow thruster handle controls

(2) Springfield Marine helm chairs w/ultra-leather buckskin

Removable flybridge (2) jump seat backrests

Stereo speakers, tied into stereo system on bridge

Trim tab control switch mounted under console

Under helm access with lights and storage room

VHF radio ICOM 602 with antenna and mounts

ZF engine controls

Rod locker under port side seat, added starboard side seat

## **ELECTRONICS**

Furuno Radar Navnet

Furuno plotter Navnet 3D processor

Sirius SAT weather, requires subscription

Sirius Antenna

Furuno black box

Navnet sounder 3D w/ transducer (3kw)

Garmin GPS/sounder

Furuno digital depth display RD33

Garmin auto pilot GHC10

VHF Icom radio IC-M604

Fusion stereo 12V MS-IP700

Stereo speaker JL audio

Amplifier 4-chan JL audio

Engine room camera remote to Flybridge & Salon

FLIR Thermal low-light camera system. Flybridge hard top

Radar Array Furuno

3 LCD 15" glass monitors

KEP Computer System 24VDC

Watermaker control

Ice machine control

VGA Splitter 4 port Antenna view PC on Salon TV and 3 Helm Displays

Keyboard / Mouse Combo Wireless in salon

Display multifunction NSES mount in drop-down box output display to helm monitors

Sirius SAT Weather Module

SAT RADIO Sirius antenna shake SRA-40

AIS Furuno FA50 Black Box 12/24VDC

## **TOWER**

Tuna tower with molded top (2) antenna

6 Recessed lights LED tri color

Dimmers for quartz lights

Rupp Outtrigger

Rupp center rigger

Recessed electric teaser reels

6 Recessed Lights, 12 Systems, LED Tri-Color

Radar Pod, Bullet Style #973, Sliding Door, Bracket & Runs for Teaser Reels

Molded Standing Platform w / Coupler Box On Platform

Molded 2 in 1 Lumitec LED Spreader Light Pod

Molded Single Lumitec LED Spreader Light Fwd Platform

Control Box 53" w/flush mounted compass and recessed electronics box w/lid

Enclosure 3 sided track to track

Air vent forward top panels

NAV lights

Drop down electronics box

Bow thruster control

Recessed tri color lights in platform and shade

Furuno Navnet RD-33 and Garmin 8" remote

ICOM VHF HM162

Tower sunshade molded w/ internal tracks, 3 welded antenna mounts

Antenna mount sat TV dome molded fiberglass mold

6 rod holder polished weld to aft bridge rail, PBT style

6 rod holder polished aft legs, PBT style

2 x recessed electric teaser reels Miya Epoch US9-HD 24V

Nav. Lights port & starboard molded w/aft stern light molded into hardtop

Fresh water wash down in tower

Recessed tri-color lights in tower platform

Recessed tri-color lights in tower sunshade

Control box cover

## COCKPIT

Awlgrip Lazarette

Cable TV and telephone connections located in port side locker

Crushed ice machine with discharge in Mezzanine box

Custom Tri colored lights

Cockpit cover

Dockside electric connection (2) 50 amp/220 volt electric retractable Glendinning

Cablemaster (1), located in starboard side locker under gunwale and (1) 50 amp 220 volt inlet with hinged door

Dockside water connection with pressure reducing valve in starboard side locker under gunwale

Engine room access with hatch and ladder to engine room

Extended flybridge overhang for shade

Freshwater wash down with hose bib located in side locker under gunwale

Freezer storage in mezzanine seat and mezzanine step

Indirect rope lighting under coaming

Lazarette hatch with access to steering, trim tabs, drain pumps

Lighting, recessed lights in flybridge overhang

Livewell in sole

Recessed in-deck fish box to port, insulated and removable with pump out and drain plate with large holes for easy pump-out and cleaning

Recessed in-deck storage boxes to starboard forward box insulated aft

Refrigerated cockpit step box

Rod holders, Rupp (4) stainless steel and flush-mounted

Salon door, molded fiberglass sliding door with frameless window and teak interior

Sea water wash-down

Self bailing cockpit with large cockpit scuppers

Stereo speakers tied into bridge stereo with remote control

Transom coaming with walk-through transom door with lift gate, molded fishbox

Two 24V outlets forward under coaming, one on each side (20 amp max)

Seawater supply & fitting for additional on-deck live well - port & starboard

Teak sole and mezzanine

Teak bridge ladder treads

Transom box plumbed as live well

## HULL & DECK

Awlgrip brass thru-hulls in engine room and forward bilge

Awlgrip engine room, lazarette, forward bilge and anchor locker for enhanced visibility and easier maintenance

Bomar hatch, fore-deck with Ocean Air screen shade system, (1) standard, (2) aft hatches optional

Dupont high gloss polyurethane boot stripe

Fiberglass side thru hulls

Prop pockets to reduce draft

Transducer location molded into keel

Hull color – blue

Bottom paint – Viking blue

Oval exhaust outlets

Rub rail, white

Fresh water wash-down at bow inside, anchor locker

Anchor bracket in anchor locker

Recessed trim tab covers

Transom door

Fortress anchor w/ approx. 50 chain & 300' nylon rode

2 Lumishore underwater lights

Swim platform

Bow rail, stainless steel anchor roller

## **MECHANICAL**

Main Engines: MAN V12 1400 CRM, 2 + 2 extended warranty until April 18, 2017

Generator: Onan 21 KW with approx 383 hours

Generator Gas water separator for generator

A/C pressurized fresh water system with on deck fresh water fill and cockpit dockside supply inlet with pressure reducing valve

Awlgrip brass thru hulls and sea strainers

Awlgrip anchor locker

Centralized sea water supply system with dedicated seacock, strainer, pump and distribution manifold for sea water cooled systems and live wells

Camera in engine room

Power assist hydraulic steering

“Delta T” engine room ventilation system with supply and discharge fans for proper fresh air supply and water intrusion suppression

Engine room entrance package consisting of gauges for digital tachometer, engine water temperature, and engine oil pressure, and remote mounted engine start and stop switches for easier viewing and accessibility

External sea strainers for main engine pick-ups

Fire suppression system, automatically or manually operated and tied into main engine and generator ignition systems with override

Fresh water supply in engine room for general maintenance and cleaning

Fuel filters, snow white

Fuel and oil lines, flexible, steel reinforced USCG approved, aircraft type

Fuel priming pumps electric 24V DC

Fuel transfer system electric 24V DC

Generator gas separator

Mufflers – engines linear exhaust with oval outlets

Oil changing system, gear type pump for main engines, transmissions, and generator

Oil changing system to cockpit dockside box

PEX plumbing, fresh water system plumbing with manifold system shut off in engine room and forward bilges

Racor fuel water separators for main engines and generator clear bowl type, top loading for

easier maintenance, includes vacuum gauge for fuel filter restriction

Water heater 220V AC electric

Y-valve emergency bilge pumps

Watermaker with auto backflush 700 gpd

110V outlet on aft bulkhead at entranceway

Backup pump for seawater

Awlgrip brass thru-hulls & sea strainers in engine RM& FWD bilges

Fuel filters snow white

110v outlet on aft bulkhead at entranceway

All pumps except fresh water pump snow white

Backup pump for seawater system plumbed in parallel

Fuel priming pumps 24v

Additional fuel tank forward for a total of (3) tanks

## **ELECTRICAL**

24 volt DC ship's service throughout

110V outlet in engine room on aft bulkhead

Anchor light/navigation lights

Battery distribution panel with battery cut off and charging system breakers

Battery parallel system for main engines and generator start

Bonded electrical system with ground plate

Color-coded, labeled and numbered wiring system with corresponding drawings

Emergency DC crossover

Engine room lights, AC and DC with switch at engine room entrance

Generator, Diesel, Onan 21.5 kW E-QD (electronic quiet diesel) Series, user friendly with

electronic governing allowing voltage and electronic frequency control

Glendenning cable master

Instrument panel lights for flybridge and main electric panel

LED interior lighting with dimmers throughout excluding the companionway

Lighting, Overhead LED lights recessed in ceiling and rope type décor lights concealed by upholstered valences, 24 and 120 volt throughout

Master electrical control panel raised in salon with 24V/120V circuit breakers, individual switching for shore 1, shore 2, or generator supply and gauges for electrical supply, voltmeter, amp meter, and frequency

Receptacles, 120 volt duplex with GFI throughout

Sub-panel located near galley with breakers for galley appliances, and galley lights and with gauge for water tank and alarm panel for safety monitoring system

Voltage stabilizer isolation transformer on cable masters for more consistent, cleaner voltage

---

## Exclusions

Owner's personal belongings.
