SPECIFICATIONS

Overview

The SL86 is a new 27-meter, flybridge motoryacht with a planing hull in fiberglass. Sanlorenzo's signature styling is combined with new innovations and an unparalleled level of customization within its category. Enlarged windows in the hull and superstructure enrich interior areas with natural light. The exterior features a living area at the bow, with sofas, table, sunbathing cushions, and adjustable sun awning. The yacht's tender is stowed in the aft garage with hydraulic lift swim platform. This model has a classic layout with a country kitchen style galley on the main deck, and the master, VIP and two twin staterooms on the lower deck. Crew quarters are located forward. Built with the Americas client in mind, the yacht has full Americas Edition specifications. In terms of its performance, the SL86 is powered by twin MTU 12V2000 M96L (1950 HP) engines. Currently under construction for delivery to Ft. Lauderdale, Florida in the Fall of 2016. *Sanlorenzo of the Americas provides direct access to the shipyard for customers in North America, Central America, and South America. Headquarters in Fort Lauderdale, Florida.*
