SPECIFICATIONS

Overview

This custom built 33m aluminium yacht offers a fast displacement hull and outstanding flexibility of design. A variety of options are available for the interiors of the vessel, and the shipyard welcomes the input of the buyer to build a vessel to meet and exceed his expectations.

With Headquarters in Naples, Palumbo are one of Italy's most important shipyards and have honed their craft building and repairing vessels from cruise ships to ferries and from research vessels to offshore support ships. This experience now combines with significant service centres throughout the Med to offer the discerning owner the opportunity to build a yacht to the highest of standards at a yard that have proved their worth in the toughest of arenas.

Full renderings and build specification available upon request.
