SPECIFICATIONS

Overview

This 50' Dancer has been cared for meticulously and stands out as a "Turn Key" vessel. The 1000 hour service and all relative maintenance were just performed as the owner is constantly updating and improving her. There is a full time captain looking after this vessel on a daily basis. The owner's intention is to move to a larger vessel. The owner would welcome any center console trade offers or a larger vessel wanting to trade down to a smaller vessel.
