ХАРАКТЕРИСТИКИ

Основная информация

Тип судна: Крейсер

Подкатегория: Sport Cruiser

Модельный год: 2005

Год постройки: 2005

Страна: United States

Размеры

Длина общая: 40' 0" (12.19m)

Ширина: 14' 0" (4.27m)

Мин. осадка: 3' 2" (0.97m)

Скорость, вместимость и масса

Крейс. скорость: 30 Kts. (35 MPH)

Водоизмещение: 27000 Pounds

Вместимость воды: 95 Gallons

Вместимость сточного бака: 35 Gallons

Объем топливного бака: 400 Gallons

Размещение

Всего коек: 4

Всего ком. состава: 2

Корпус и палуба

Материал корпуса: Fiberglass

Информация о двигателе

Двигатели: 2

Производитель: Volvo

Модель: TAMD74P

Тип двигателя: Inboard

Тип топлива: Diesel

ПОДРОБНОЕ ОПИСАНИЕ

Salon

Walking down through the gangway into the massive salon you feel the spaciousness and warmth of the beautiful cherry paneling, doors, and cabinets. *Lua* has great space for when the day ends and it's time to retreat below. The maple and cherry floor bring a nautical den-like feel with windows on the deckhouse to bring in the light.

To port is the U-shaped sofa with folding table opening up to easily seat four or five. A new flat screen TV is on the wall with liquor and glass storage underneath. Lots of additional storage all around and under the sofa.

- Sliding Cockpit Door
- Sliding Cockpit Screen Door
- Port Crescent Shaped Ultra Leather Sofa
- Hinged Hi/Low Dinette Table
- Starboard Galley
- Cherry Wood Joinery Through-Out
- Bose Surround Sound System with Subwoofer
- Sharp 20" Flat Screen TV
- Teak Cabin Sole
- Custom LED Lighting
- Courtesy Lighting
- Rope Accent Lighting
- CO Monitors
- Polar Bay Reverse Cycle AC/Heat

Vessel Introduction

Boarding *Lua* at the transom you notice the classic reverse transom and massive teak covered swim platform that is about 4' deep. A great launch pad for toys, swimming and sunning.

Walk into the aft cockpit and you are greeted with a huge cockpit and aft L-shaped bench seating and table. You'll notice the extended bimini top covering the entire aft cockpit. Take a look at the pictures and you will see the robust build and the attention to finishing the top out to add a nice esthetic and function.

Up a step into the cockpit with a wet bar and refrigerator. The L-shaped lounge is to port and the helm station to starboard with great visibility all around and easy access to all the controls and navigation equipment.

Galley

The U-shaped galley to starboard has lots of cabinet space and Corian covered counter tops giving you plenty of room for meal preparation.

- Accessory outlets 120v
- Cabinets hand crafted in cherry veneer
- Solid surface counter top
- Flush mounted glass top electric stove (2 burner)
- Glass and bottle storage
- Lighting, 12v
- Lower cabinet storage/drawers
- Main distribution panel, 120/240 vac
- Maple and cherry wood flooring
- Microwave/convection oven
- Refrigerator and separate freezer 12v/120v
- Custom faucet with sprayer handle Storage drawers

Master Stateroom

Moving forward you step into the Master Stateroom. There is an island queen berth with storage and two draws, hanging lockers and storage along the sides. A flat screen TV and DVD is recessed in the port cabinet.

- Accessory outlet, 120v
- Built-in storage compartments
- Full size bed with sheets and coordinated spread and pillows
- Lighting, 12v direct (reading lights) and overhead
- Night table light switches
- Hanging locker/hull side storage cabinets
- Cabin entrance door
- Private head compartment
- Forward air conditioner/heater

Master Head

The en suite master head has a fully enclosable shower.

- Accessory outlet, 120v
- Custom teak grate for shower
- Deck hatch with screen
- Fiberglass shower with circular shower door & adjustable shower wand
- Solid surface counter with sink and above counter storage

- Medicine cabinet and mirrors
- Molded soap dish
- Stainless steel handrails
- Towel bars/robe hook
- Ventilation fans
- TECMA head system

Guest Stateroom

Aft of the salon is the guest stateroom and head. Provided are twin beds and a large hanging locker for storage.

- Direct lighting, 12v (reading lights) and overhead
- Twin beds with sheets and coordinated comforter, pillow shams & bed pillows
- Drawer storage and hanging locker
- Storage under berths
- 120v outlets

Aft Head

- Solid surface counter with sink
- Medicine cabinet/mirror
- Robe hook
- Shower
- TECMA head system
- Ventilation fan

Decks

Wide gunnels and high handrails provide easy, secure bow access. Forward is the large sunpad framed by freshly varnished classic bright work. Cup holders and handrails add to the convenience. At the bow is a recessed teak deck providing safe footing while working at the bow. The Muir windlass with cockpit controls adds to anchoring convenience.

The stainless steel windshield and clear isenglass provides clear visibility all around while giving a dry, weather-free upper cockpit and helm station.

- Anchor chain/rope storage with access hatch
- Anti-fouling bottom paint
- Classic air forward
- Entertainment center with wet bar and storage

- Fiberglass hardtop with canvas enclosure and aft cover
- Forward deck sunpad
- Gel coated boot stripes
- Integral fiberglass swim platform with stainless steel swim ladder
- Teak side plaque
- Meets applicable USCG & ABYC standards
- Molded cove stripe
- Molded toe rail and diamond non-skid surfaces on all working deck and cockpit areas
- Mooring cleats - 10'' custom stainless steel
- Navigation lights international
- NMMA yacht certification
- PVC rub-rail with 316 stainless steel inserts
- Remote controlled search light
- Stainless steel bow rail with welded stanchions
- Stainless steel and teak hand rails
- Stainless steel deck hatch - translucent with latch screen and privacy screen
- Stainless steel anchor strike plate
- Stainless steel thru-hulls
- Stainless steel windshield frame with tempered glass
- Telephone inlet with cord/TV inlet with cord
- Tumblehome aft
- Vinylester barrier coat
- Stainless steel tempered glass deck windows
- Gel coated bilge area
- Cockpit seating
- Courtesy lighting
- Engine day hatch with gas shock lift assist
- Entertainment center with wet bar and storage
- Fresh water wash down faucet
- Hydraulic actuator for cockpit door for complete engine room access
- Molded in cockpit steps
- 12 vdc distribution panel with battery switches (3)
- Cockpit bolsters
- Self-bailing cockpit
- Stainless steel trimmed sliding companionway door
- Accessory outlet 120v GFCI with weather proof cover
- Transom seat has storage with drain
- Hot/cold fresh water shower, mounted aft

Helm

The first thing you notice at the helm is the visibility. A large, comfortable Captain's seat

with raising bolster. The switches, engine controls and electronics are easily accessible providing the captain good access for ease of use. The bow thruster adds to docking ease and safety with an additional battery giving added thrust.

A Raymarine C120 and Garmin 740 Chartplotters, Raymarine Enclosed Array Radar, Raymarine ST7001 Autopilot, and Uniden VHF are a complete electronics package giving you the tools needed for a day on the water or an extended Bahamas cruise.

- Accessory outlet, 12v
- Beverage holder (two drinks)
- Cockpit lighting
- Compass
- Custom Pompanette yacht helm seat
- Full engine instrumentation with Chris-Craft custom gauges
- Volvo Single Binnacle/Dual lever controls with auto synchronizer for throttles
- Windshield wiper and spray wash
- Tilt steering – hydraulic
- Wood steering wheel

Engine Details and Mechanical Equipment

The engine room access is through a large door in the aft cockpit or the entire aft cockpit lifts hydraulically providing an open work area for extended servicing. Twin Volvo 480 Turbo Diesels (Model TAMD75EDC) provide 480 horsepower with approximately 550 hours.

- Converter/battery charger: (2) 40 amp
- Air conditioning/heating: Salon – 16,000 btu air/heat unit (240 v/60Hz or 230v/50Hz – int'l)
- Forward stateroom – 10,000 btu air/heat unit (240v/60 Hz or 230v/50Hz – int'l)
- Aluminum fuel tanks with electric sending units
- Automatic bilge pumps with indicator lights
- High water bilge pump with alarm
- Batteries (3-8D) and trays with selector panel for all 12v DC functions
- CO monitors in cabins
- Crossover fuel system with dual 3-way valves for genset only
- Dockside water inlet with regulator
- Single 50 amp 240v/60Hz dockside power with 50' cord
- Electric bilge blowers
- Emergency washout spigot in bilge
- Galvanic isolator
- Generator - Westerbeke diesel (8 BTDA 8k W 60Hz) *With only 309 hours*
- Ground fault (GFI) – protected outlets and circuits
- Machinery space fire suppression with manual and automatic activation

- Main distribution panel 12v/120v/240v with circuit breakers
- Pressure water system and water heater with engine heat exchange
- Racor fuel filters
- Dual electric horns
- Search light - remote controlled
- Shower sump pump with automatic switches
- Spare circuits for additional owner installed electronics
- Recessed Volvo electric trim tabs with indicators

Исключения

При продаже яхты исключаются личные вещи владельца.
