## Overview

---

The Back Cove 26 combines classic Downeast styling with sophisticated construction and many quality features. "Simplicity" is a word often used to describe the 26. The layout is nothing unusual, but her wide 9' 4" beam results in considerably more cockpit and cabin space than one would expect to find in a 26' boat.

Key Features include:

- Yanmar 240 HP diesel engine with only 170 hours
- Bow & Stern Thrusters
- Radar/GPS (Raymarine C80)
- Hard Top
- Custom bimini 3-side enclosure
- Stored inside the summer months in Florida
