ХАРАКТЕРИСТИКИ

Обзор

This cruising version of the Hatteras 45EX is truly *better than new*. Her experienced owner (took delivery of his first Hatteras in 1977) has had a sudden change of plans and is willing to part with the spectacular vessel well below replacement cost. Engine, hull, electronics and all accessories are under warranty and fully transferable. The next available 45EX isn't until early 2016. A pleasure to show, located Harbor Beach, Ft. Lauderdale.

Основная информация

Тип судна: Крейсер	Подкатегория: Express
Модельный год: 2015	Год постройки: 2015
Страна: United States	Верх: Hardtop
Кубрик: Да	

Размеры

Длина общая: 45' 0" (13.72m)	Ширина: 16' 6" (5.03m)
Макс. осадка: 4' 0" (1.22m)	

Скорость, вместимость и масса

Крейс. скорость: 35 Kts. (40 MPH)	Крейсерская скорость поворота: 2000 Kts.
Макс. скорость: 40 Kts. (46 MPH)	Макс. скорость поворота: 2300 Kts.
Водоизмещение: 49700 Pounds	Вместимость воды: 100 Gallons
Вместимость сточного бака: 43 Gallons	Объем топливного бака: 800 Gallons

Размещение

Всего кают: 1

Спальные места: 2

Всего ком. состава: 1

Корпус и палуба

Материал корпуса: Fiberglass

Информация о двигателе

Двигатели: 2

Производитель: Caterpillar

Модель: Twin CAT C18

Тип топлива: Diesel

ПОДРОБНОЕ ОПИСАНИЕ

Exterior Finish / Construction

• Isophthalic gel coat, all areas • Blister resistant vinylester gel coat, white (hull) • Painted hull and superstructure for improved cosmetic & increased durability • Painted boot stripe, black, linear polyester polyurethane coating • Decks, non-skid surfaces, polyurethane beads • Polymer/copper based anti-fouling bottom paint • Solid fiberglass bottom with premium vinylester resins • Hull sides of resin-infused composite construction with closed cell foam core and premium vinylester resins • Solid fiberglass longitudinal stringers • Steel installed in longitudinal stringers at key locations to create engine foundations • Bulkheads, athwartship and interior decks of resin infused composite construction using closed cell foam core • Integrated hardtop

Hardware & Miscellaneous

• Wood interior bulkheads, cabinetry in rift cut white oak, flush filled satin finish • All interior hardware in polished chrome • Anchor 6' galvanized chain, 250' anchor line • Four polished stainless-steel spring line cleats through bolted-in aluminum backing plate • Two polished stainless-steel bow cleats and chokes, stern cleats and hawse pipes, through bolted-in aluminum backing plate • Polished anodized aluminum rails on bow • Deck plates for fuel and water fills and waste pump out • Bronze rudders • Dual air horn • Fog Bell • Transom zinc • Rudder bearings and bronze struts with dripless seals • Heavy duty couplings • Alloy 22 high-strength propeller shafts • Dripless propeller shaft seals with spare seals • Propellers, Nibral high performance • Stainless-steel trim tabs • Windlass • Underwater lights • Life jackets (6) • Cushion • Portable "drychem" fire extinguishers (4), U.L. approved type in compliance with United States Coast Guard and ABYC Standards • Braided nylon mooring lines (4) • Fenders (4)

Engine Compartment & Bilge

• Painted polyurethane engine room and bilges • Powder coated grab rails • Rubber deck mat between engines • Insulation in engine room ceiling, for noise mitigation in main cabin • AC fluorescent lights • DC Lights • DC bilge blowers • 17kw freshwater cooled diesel generator • Twin diesel, freshwater-cooled main engines with electrically controlled marine gears, neutral interlocks, and exhaust silencers • Fiberglass fuel tank constructed with fire retardant resin fittings • United States Coast Guard type A1 U.L. Marine listed fuel lines • Electrical fuel priming pumps, main engines • U.L. Marine listed duplex fuel filters/water separators, engines and generators • Water tank (100 gallons) • Pressurized 24V DC freshwater pump • One 230VAC 11-gallon electric water heater • Sealed shower sump pump • Bronze/chrome-plated ball valves through bolted-in solid fiberglass on all underwater through hull fittings with electrical bonding throughout • Individual sea chests for each engine, and gensets • Fiberglass rudder shelf bolted to steel plates in the stringers • Stainless-steel steering tie-bar with pivoting self aligning ball joining connection at all cylinder and tie bar connections • Shore water connection with pressure-

reducing valve • 24-volt DC bilge and sump pumps with heavy-duty float switches and protective guards • FM200 fixed fire-extinguishing system for engine compartment with automatic and remote manual discharge and audible and visual discharge signals • DC voltmeter in DC distribution panel • Oil change systems Electrical Systems • Two 24 volt bank of heavy-duty, 12 volt marine batteries (4 AGM) mounted in a fire retardant fiberglass box • Bow Thrusters, 8HP • Battery paralleling system with switch at helm • Automatic, 240 volt battery charger, 50/60Hz • Battery control panel with fuses and magnetic circuit breakers • AC and DC distribution panels with magnetic circuit breakers • AC switching panel with source selector • One 240 volt, 50 amp, retractable shoreline with ELCI ground fault protection, overcurrent protection, and fail-safe galvanic isolator • AC duplex outlet(s) with ground fault protection • DC LED lights and fixtures • Air Conditioning, 18,000 BTU's with reverse cycle heating • TV antenna, Omni-directional

Cockpit

• Molded fiberglass mezzanine with seating • Seating with cushions across upper mezzanine • Aluminum mounting plate installed for mounting fighting chair • Bait and tackle center with storage, gas spring, full-length stainless steel piano hinges and latch • Bait tank molded into transom, 56 gallons • Tricolor courtesy lighting under gunwales • Mezzanine with integrated storage • Freezer under mezzanine seating • Electric grill built into starboard bait and tackle center • Fish boxes (2), large capacity, insulated, flush in deck with macerator • Hose and pistol-grip nozzle and freshwater wash down outlet Hot and cold hand held shower • Shore water connections with pressure-reducing valve • Saltwater wash down • Insulated drink storage box • Icebox, fitted with gasketed lid, gas spring actuator, full length stainless steel piano hinges • Hatched, lazarette and fish boxes, heavy-duty, gasketed, draining, gutters, full-length stainless steel piano hinge and latch • Polished stainless-steel rod holders (4) • Scrubbers, in cockpit and cockpit hatch drains • Transom door with top gate, heavy duty polished stainless steel hardware • Stereo speakers (4) • Bridge deck refrigerator • Electric grill • Helm deck refrigerator

Helm Console

• Helm wheel, stainless steel • Tinted windows • Custom helm & mezzanine cushions w/ covers • Control station with all necessary switches • 3 function dual band yacht controller • Garmin: GPSMAP 8215 15" touchscreen • KVH: Tracvision HD7 US Sat TV system • Garmin: GMR604XHD 6 KW Marine Radar • KVH: H25 HDTV DirectTV receiver • Garmin: GXM52 XM Satellite weather • Garmin: GHP20 w/ Smartpump pilot system • Garmin: GC10 marine camera • Drop down over head TV at strbd helm area w/ custom pipe welders cabinetry • Pod console with steering wheel • Hydraulic power-assisted steering • One helm chair, one companion • Fire and bilge high water level alarms, audible • Engine instrumental panel, custom with audible warning system and hour meters • Palm Beach single lever electronic controls • Switch panels, custom, stainless steel • USB port, 110V outlet • Helm console charger storage

Galley

• Synthetic wood-style flooring • Fabric headliner installed on track system for service access • Dinette seating with storage underneath and wood table with stainless-steel pedestal • Quartz counter tops and storage cabinets made of finished wood • AC under counter refrigerator and freezer drawer units (1 refrigerator, 1 freezer) • AC 2 burner ceramic cook top • Microwave/convection oven with stainless steel finish • AC duplex outlet(s) with ground fault protection • DC LED under-counter lighting • DC LED dimmable lighting overhead

Main Cabin

• Synthetic wood-style flooring • Fabric headliner on track system for service access • DC LED dimmable lighting • Skylight (1) • Access hatch to below deck equipment • Foredeck hatch, with retractable shade • Fabric and coverings, fine selection throughout • LED 32" class TV • Stereo home theater system with Blu-ray, blue tooth, USB port, Wi-fi and FM tuner • HVAC control • Smoke and carbon monoxide detectors

Forward Stateroom

• Fabric headliner on track system for service access • Custom fabricated innerspring mattress system • Custom fitted sheet and mattress pad set • Private head access • 20" class LED TV • Stereo with DVD player • AC Duplex outlet(s) with ground fault protection • Additional rod storage in berth • DC LED lighting • HVAC control • Smoke detector

Head Compartment

• Synthetic wood-style flooring • Fabric headliner on track system for service access • Wall coverings • Quartz counter tops, back splash, with under mount sink • Storage cabinet with mirror above sink • Base cabinet to match interior finish with storage • Mirrored doors • Freshwater toilet • Towel bar, towel ring, tissue holder, robe hook • AC recirculating fan • AC duplex outlet(s) with ground fault protection • DC LED Lighting • Holding tank monitoring system • HVAC control • Smoke and carbon monoxide detectors
