DETAILED INFORMATION

OVERVIEW

'Francoise', our 2000 Beneteau Oceanis 461 has just returned from a three year cruise that fulfilled all the owner's expectations. She has a spacious interior with all the amenities for long range cruising, performing beautifully as one has come to expect from the Farr Yachts designed Beneteau Yachts. She has a two stateroom, two head layout with a luxurious, comfortable and well ventilated interior making her an ideal live-aboard.

Equipped with in-mast furling mainsail, Electric Winches, Bow Thruster, Solar Panels & Wind Generators, Standard Horizon GPS/Chart Plotter, Radar, Auto-Pilot, Custom Canvass & Dodger and Inverter /Charger and much more.

After cruising the islands for the past three years and owners have decided to move ashore for awhile to recharge their batteries. In the meantime, their Beneteau Oceanis 461 is available for sale, turnkey and ready to move aboard.

ACCOMMODATIONS & MAIN SALON

This two stateroom Owner's version layout includes a spacious and comfortable Master Stateroom is forward with a center-line island queen berth. This luxurious cabin features settee seating on both sides, ample storage and plenty of opening hatches and ports for light and ventilation. The private ensuite electric head is large with a shower.

Moving aft, the salon is very spacious due to her 14' beam and will accommodate quite a few people on the U-shaped settee to starboard around the expandable dining table and bench seating to port of the table. Along the portside of the salon is another long settee with the nav station aft of this which includes a chart table, electronics and electrical panel. To starboard and aft of the salon is a very well laid out sea-going cook's galley which is U-shaped allowing for leaning support and hand holds while cooking in a seaway. The counters and gimbaled stove all have fiddles. The top loading freezer and front loading fridge have great access and are very commodious. There is of course ample storage in the galley and under the settees.

Aft of the salon to port is the VIP/Guest stateroom, also with Jabsco manual head and shower. The very accessible engine compartment has opening panels on both sides and the companionway steps lift up for forward access.

The huge cockpit with a folding cockpit table, generous seating helm are with a walkthrough onto the sugar scoop/swim platform. The very well designed custom dinghy davits with two 85 watt solar panels and two wind generators.

Salon

- *Island Bench seat around an Expandable, Beautiful Cherry Table which converts to a double berth*
- *Single settee - Port*
- *Entertainment Center*
- *Navigators Station*
- *Cherry Wood interior trim*

GALLEY & DINING AREA

Force 10 SS 3-burner Propane Stove w/Oven

- *Built-in GE Microwave Oven*
- *Double SS Deep Sinks w/Cutting Board Covers*
- *Adler Barbour Refrigerator/ Freezer*
- *Abundant Storage and Countertop Space*

Electronics

Standard Horizon CP3901 GPS Chartplotter

- *Lewmar Bow thruster*
- *Raytheon ST-6000+ Autopilot*
- *Raymarine ST-60 Tri-Data (helm and navigator's stations)*
- *Ratheon RL70-C Radar*
- *Ratheon ST 60 Wind Indicator*
- *Uniden VHF*
- *Custom low profile electronics pods at the helm*
- *Plastimo Binnacle Compass*
- *Kenwood KCD-BT848U w/ Bluetooth*
- *Majestic flat screen TV w/DVD player (Salon)*

ELECTRICAL

4.2 KW Fisher Panda Generator (184 hours)

- *Two 85 Watt Kyocera Solar Panels (2011)*
- *Two 400 Watt SunForce Wind Generators*
- *Whistler 2000 watt inverter*
- *AGM batteries including (2) 8D house batteries, (1) group 27 starting battery (1) generator battery)*
- *ProStar 15 Solar Panel Controller*
- *55 AMP Alternator*

- **110 volt GFI outlets**
- **ProTech 1230i battery charger**
- **LED lighting below and above deck**
- **12 volt and 110 volt electrical systems**
- **110 volt shore power system with 2 - 50' 30 amp shore power cords**

MECHANICAL

Yanmar 75HP diesel engine w/ 1968 hours

- **Easy Engine Access including: Access from the Aft side above the fuel filter and transmission in the guest stateroom through a panel door.**
- **Cruisair SMX II Reverse cycle heat and air conditioning system (2) units 16,000 BTU and 12,000 BTU)**
- **New fresh/raw water wash down pump**
- **7 new 12 DC fans**
- **Fuel gauge**
- **Fresh water cooling system**
- **Dripless stuffing box**
- **Wheel steering system**
- **Lewmar bow thruster**
- **Manual and Electric Bilge Pumps**
- **Hot and Cold Pressure Water System (218 Gallon Capacity) in 3 Rigid fiberglass water tanks**
- **10.5 gallon hot water heater**

SAILS & RIGGING

Aluminum Z-Spar Mast with in-mast Furling System and Boom

- **Pro Furl Genoa Roller Furling System**
- **Double Spreader Rig**
- **SS Wire Rope Standing Rigging**
- **All Control Lines are led aft to the Cockpit to Spin Lock Stoppers and Lewmar Self-Tailing Winches**
- **(2) Lewmar 54 Self Tailing Primary Winches Electric Winches**
- **(1) Lewmar 40 Self Tailing Electric Winch (port of companionway)**
- **(1) Lewmar 44 ST Halyard and Multipurpose Winch (starboard of companionway)**
- **Harken Outhaul System for Mainsail**
- **Solid Boom Vang**

HULL & DECK

Radar Arch that integrates dinghy davits, mounting pads for all gps and data sensors, (2)

85 watt solar panels & (2) Wind Generators

- **Two 85 watt solar panels.**
- **Windlass**
- **LED Navigation Lights**
- **LED Mast head Light**
- **Double Spreader Lights**
- **Search Light**
- **Bow Pulpit**
- **Stern Rail**
- **Double Life Lines with Boarding Gates Port and Starboard**
- **Hand Rails**
- **60 lb CQR Anchor rode w/120' chain & 100' rope**
- **45 lb CQR w/ 80' chain & rope**
- **Fenders**
- **Dock Lines**
- **Hot and Cold Shower on Swim Platform**
- **Swim Ladder**
- **Closed Cell Foam Cockpit Cushions**
- **Folding Cockpit Table**
- **Abundant Cockpit Locker Storage**
- **Aft Rail Seats Port and Starboard**
- **Bow Anchor Locker**
- **Double Anchor Rollers on Bow Sprit**
- **Blue Exterior Sunbrella Canvas includes : Dodger with removable windows, 3 section bimini top with sun window for sail visibility and connector.**
- **Fresh Water Electric Head (Forward)**
- **Jabsco Manual marine head (Aft)**

MANUFACTURER PROVIDED DESCRIPTION

The concept and construction of the Oceanis 461 is directly linked to the Oceanis range experience. Owing much to her predecessors, whether in terms of her dimensions, the technology used, or aesthetic and practical choices, the Oceanis 461 fits perfectly into Beneteau's cruising range. Her long hull, designed by Bruce Farr and Associates, has great potential for impressive speed while giving that quiet, powerful sensation only felt on board true offshore cruising yachts. The structure of the Oceanis 461 is based on the same principles that have made such a success of the whole range; the bonded and laminated inner molding ensure the best possible spread of rigging and keel loads throughout the hull. Her rigging is also classic and efficient. A masthead furling genoa (drum on deck) guarantees the necessary power for an easy passage. The In-Mast furling mainsail is an option. The deck layout reflects the spirit of comfort and efficiency that has prevailed in the Oceanis 461 from her conception: teak-capped bulwark for elegance and safety, electric windlass half recessed into the anchor well, large

sunbathing area forward, uncluttered sidedecks with chainplates centered against the coachroof, and a teak deck option. The cockpit is easily accessible via a door in the transom which is also equipped with deep lockers. The wheel steering position has a full console, to which a large cockpit table with hinged flaps and icebox is joined. The Oceanis 461 is available in 4 cherrywood (teak as an option) accommodation layouts, arranged around the saloon. There are 7 opening deck hatches and 12 opening portholes. The galley has numerous baskets and lockers, a fridge - freezer in two compartments, and large independent head compartments (up to three depending on the layout selected).

Exclusions

Owner's personal belongings.
