SPECIFICATIONS

Overview

LUCKY STAR III has been maintained and serviced to the highest degree by her extremely knowledgeable owners. GB54EU has an extremely popular one-level design throughout the main deck and feels like most 65' yachts do as far as overall usable space. She has very low hours, stabilized, 3 stateroom/2 head layout, and so much more! Here is an opportunity to own an AS NEW 2013 model Grand Banks 54 Heritage EU without the wait!

Basic Information

Category: Motor Yacht

Sub Category: Flybridge

Model Year: 2013

Year Built: 2013

Country: United States

Dimensions

LOA: 54' 0" (16.46m)

Beam: 17' 9" (5.41m)

Max Draft: 5' 0" (1.52m)

Speed, Capacities and Weight

Displacement: 37800 Pounds

Water Capacity: 270 Gallons

Holding Tank: 100 Gallons

Fuel Capacity: 1500 Gallons

Accommodations

Total Cabins: 3

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Cummins

Model: QSM-11

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Preliminary Listing

More detailed specifications and professional photographs coming soon. Profile photographs and layouts are actual boat, but remaining photographs shown are "Sistership" photos.

Walkthrough

Starting with the completely covered aft deck, a tremendous amount of space is available along with built-in seating and large teak table. She has a fiberglass locker at the starboard forward corner with sink on top, storage in the cabinet below and on the right side, an aft docking station complete with throttle, and bow & stern thruster controls. On the port side forward, there is an easy access staircase to the flybridge with large storage locker at deck level underneath the stairs.

When you enter the salon through the aft deck door, which has two (2) Phantom screens that come together and attach magnetically, the area is extremely spacious with her 17' 9" beam which makes her feel like a much larger yacht. In the salon, there is an L-shaped settee to port with teak storage drawers below. On the starboard side is a SubZero Refrigerator/Freezer/Icemaker and forward of that are 2 customized barrel chairs with a cabinet for glass storage between. The Bose entertainment system is located in the starboard forward corner cabinet.

When you move into the galley/dinette area, there is a small step up. The galley is on the starboard side aft which is U-shaped featuring Granite countertops, Sub-Zero refrigeration on the aft section, microwave/convection oven above, overhead galley dish locker storage runs the full length of the galley outboard, Magic corner storage space in the aft outboard galley section which creates an enormous easy-to-use storage area for pantry items. Moving forward, there are several drawers for silverware, glass storage and other galley utensils. Moving further forward, there is a custom large trash bin. Looking at the forward side of the galley, there is a large sink and a Fisher Paykel dishwasher drawer unit below. As you move around to the forward side of the galley, there is an additional set of storage lockers.

The dinette is located opposite the galley on the port side with comfortable seating and storage below which will work great for additional galley storage for long-term cruising. This is a very comfortable seating area, which includes two custom-made movable teak chairs on the inboard side of the table, and another place for people to sit if you are driving the boat from below.

Moving forward, you have port and starboard doors with Phantom screens to reach the side decks, a STIDD helmseat (there is room for an additional STIDD, if desired, and a backing plate is pre-installed), a very large electronics console and a chart locker to port. Operation of the boat from the lower helm is very easy due to the size of the windows and the proximity of the steering station to the bow of the boat; it's very close. Also on this level, you have almost a full 360-degree view and you can easily step out onto the side decks to help with dock lines.

On the foredeck, GB has incorporated a very comfortable seating area including custom removable backrests with stowable fittings around a table with storage below that could hold all the cushions for this area or you can leave the cushions set up and cover them with the standard Sunbrella covers. This makes another nice outdoor entertaining area. Outboard of this area are two very large storage bins. The stainless steel anchor platform is set up for dual anchors with teak on top of these lockers in lieu of standard; there is a 75-lb. CQR with 200' plus of chain. Outboard of the anchor platform are 2 storage lockers; the starboard one features a freshwater washdown. With her wide walkaround side decks and high stainless steel double rails, she is safe and easy for a couple to handle in any seaway.

Up to the flybridge via the staircase on the port side aft deck, you have two STIDD seats forward with a generous electronics console, a bench seat on the portside forward facing and there is a very large L-settee on the starboard side with a teak table. Storage is below all the seating. Aft of this, there are several lockers and a wet bar area to starboard which offers a refrigerator, sink, custom Galley Mate 2000 propane barbeque grill and storage lockers. There is a standard davit with a 1000 lb. capacity and plenty of room for her 13' Boston Whaler tender. There is an enormous amount of space just aft of the wet bar area and forward of the dinghy that can be used for other deck furniture or storage for additional toys.

As we go below decks, we have a fantastic layout with three staterooms and 2 heads with separate stall showers. There is a utility room aft of the master with full-size Asko washer and dryer, full-size refrigerator/freezer, and wide storage lockers and drawers. The engine room can be accessed either through the aft deck or through the aft utility room and is very spacious with full standing headroom and the best access to the engines and other systems on a boat of this size than you've ever seen before.

The master stateroom is amidships and features a large walkaround berth, which is 65" wide and

very low with storage below, large cedar-lined hanging lockers are on the aft section. Several other smaller lockers throughout the stateroom are to accommodate other storage needs. The en suite head on the port side allows you to truly feel the full beam of the boat. And on both sides of the hull, you have two large opening ports for natural light and ventilation. The private en suite master head features a large Corian sink, lift-up storage lockers with mirrors below, large medicine cabinet, storage below the sink and large shower with seat and tiled floor.

The forward VIP guest stateroom features an island berth which is easy to access from port or starboard sides, cedar-lined hanging lockers both port and starboard, storage drawers below the berth, hatch overhead and two large opening ports. The guest stateroom just aft and to port features two single bunks, drawer storage below, a cedar-lined hanging locker aft and an opening port. The guest head is directly across and features a stall shower, Corian sink with storage below and an opening port.

Construction

- Gel-coated fiberglass with cross-linked PVC foam core
- Hand-laid fiberglass
- Hull barrier, epoxy undercoat
- Bootstripe, painted Awl-Grip
- Hull lamination, Hydrex resin skin coat
- Hull structural grid, fiberglass and foam
- Hull, solid fiberglass below and cored above waterline
- Keel, full length extending below running gear
- Quarter guard, FRP molded, with stainless steel rubrail
- (3) Structural bulkheads, composite, partially watertight

Engine Room / Mechanical Equipment

- Twin Cummins QSM11 715hp engines with ZF V-drives, 260 hours as of April 30, 2015
- Engine room shelves at transom with keepers, optional

- Engine room storage, spaces for storage of: oil to change engine and genset, engine spare parts and tool chest, optional
- Stabilizers, Wesmar DSP 4801 system with 7.5 ft. sq. fins, optional
- Stern Thruster, Sleipner Sidepower (IP) SE170/250 TC, DC, optional
- Fresh water shore connection with pressure-reducer, optional
- Ball valves and thru hull fittings above waterline, chrome bronze
- Bilge pump, manual
- Engine raw water intake strainers
- Engine room faucet, fresh water
- Engine room sound insulation
- Exhaust system, underwater outlet muffler, custom outlet cowling and idle bypass
- Fire extinguisher with engine, generator, blower shut down and override control
- Fuel filters, Racor water separators on each engine (duplex) and generator (single)
- Fuel tanks, two aluminum tanks, baffled, total 1500 US gallon (5678 liter) capacity
- Generator exhaust system, with gas/water separator
- Oil change system, with quick disconnect fittings
- Propellers, nickel-aluminum-bronze, dynamically balanced, 4-blades
- Seacocks, Groco safety seacocks on engine raw water inlets
- SEAGULL IV water purification system
- Shaft log, dripless
- Steering, hydraulic, with Power Assist system
- Water tanks, two tanks, polyethelyne, food grade, 300 US gallon (1136 liter) total capacity
- Watermaker, preparation: wiring, breaker and seacock

Electrical Equipment

- Electrical System: 120V/240V, 60Hz, 24V DC, optional
- Outlets and Switches: Vimar, US Type #16245, optional
- Lights underwater (4) LED, optional
- Engine display, (2) additional Cummins Vessel View, optional
- AC/DC distribution panels
- Kahlenberg dual air horns, electric DC, upgraded
- Air-conditioning, Dometic Marine Air, reverse cycle
- Alarm and indicator panel, each station
- Alternator, each engine and generator
- Batteries, AGM, with fiberglass boxes, lids and straps, 2x8D engine starting, 6x8D for house, 1x2D for generator
- Battery charger, automatic, 12V 35AMP
- Battery charger, automatic, 24V 60AMP
- Battery condition indicator
- Battery disconnect switch, remote motorized system
- Battery switch, emergency paralleling
- Bilge pumps, automatic, DC (3)
- Bonding system
- Bow thruster, Sleipner Sidepower SE170/250TC, DC, joystick controls at lower and upper helms
- Carbon monoxide detectors, in sleeping areas and salon
- DC converters, 24-12V, 40AMP
- Engine gauges and instrumentation, Cummins, one Vessel View display, at lower and upper helms (std)
- Engine room blowers, DC two intakes on one side, two exhausts on the other side of engine room, Delta "T"

- Engine room lights, DC, LED
- Entertainment system, CD/DVD player with speakers, Bose premium package
- Fresh water system, pressurized, DC
- Generator, Onan with sound shield, 21.5 kW e-QD Series for 120V/60 Hz, 405 hours as of April 30, 2015
- Holding tank. black water, 100 US gallon (379 liter) capacity; deck fitting for dockside pumpout; equipped with direct discharge pump, DC, with Y valve to toilets
- Isotherm Indel stainless steel icemaker, AC, optional
- Inverter/charger
- Isolation transformer(s)
- Oil change kit, DC
- Outlets throughout, with GFCI protection, Vimar
- Rudder angle indicator, DC, VDO Ocean Line
- Running/Navigation lights, DC, LED
- Shore power inlet, 50AMP aft, (1) Glendinning Cablemaster with 75 ft. cable
- Shore power inlet, 50AMP fwd
- Trim tabs, DC, Bennett
- TV prep, pre-wire RG6 cable, from behind lower helm cabinet to in salon, owner and guest staterooms
- Water heater, AC, 20 US gallon (75 liter) capacity
- Windshield wiper control, electronic washers, intermittent-low-medium-high speeds, electronic touch control panel, Exalto
- Wiring, marine-grade tin-plated copper

Exterior Equipment

- Teak transom, optional

- Custom designed transom step to provide easier access to platform and deck, optional
- Anchor lockers top - Teak decking on top of anchor lockers in lieu of standard, optional
- Anchor chain locker, divided for rope and chain, self-draining
- Anchor platform, fiberglass with pulpit, double stainless steel rollers for two (2) anchors
- Bulwark caps, varnished teak
- Chocks and mooring cleats, stainless steel
- Courtesy lights, LED
- Deck fills, diesel fuel & water and waste pump-out; at side decks
- Decking, teak, epoxy bonded at cockpit
- Engine room vents, Delta “T” air demisters
- Flag pole, with stainless steel holders, bow and stern
- Foredeck lockers, port and starboard
- Foredeck seating, U-shaped bench seat, table and storage lockers
- Freshwater washdown, with quick disconnect outlet, at bow, including one hose
- Grab rails, stainless steel; optional s/s grab rails at port and starboard cabintop
- Cabin Top Forward Locker: custom arrangement for port and starboard cabin top locker - vertical latch and gas lift, optional
- Navigation light boards, varnished teak, port and starboard
- Non-skid, Awlgrip, side and forward cabin house deck and hardtop (as fitted)
- Rail gates, at port, starboard and aft
- Rubrail, heavy-duty vinyl with stainless steel insert
- Safety rails, stainless steel, with intermediate rail, on flybridge deck perimeter
- Safety rails, at main deck stainless steel, with intermediate rail
- Skylight hatches, Manship, stainless steel

- Step plates, chromed, with casted “Grand Banks” name, at rail gate openings, port and starboard sides
- Swim ladder, stainless steel, collapsible/sectional, mounted under swim platform
- Swim platform, teak
- Windlass, horizontal, chain rode, DC with remote gypsy and capstan, three stations
- Windows, at hull sides, grey tempered glass, fixed, fritted, bonded in place
- Windows, grey tempered glass at salon sides, clear tempered glass at salon front, fritted, bonded, flush installation, with opening windows in salon

Canvas, optional

- Aft deck seat cover
- Padded table cover for aft deck
- Wet bar cover
- Foredeck table cover padded
- Cover for foredeck windlass and teak areas
- Windshield cover for forward three windows
- Flybridge seating on stbd side, inc wet bar & grill area
- Padded table cover
- Port side seating & cabinet cover
- STIDD chair covers
- Console cover
- Full cover for davit
- Transom cover
- 3-sided “Hard Glass” flybridge enclosure: Makralon clear & finished in Sunbrella. 5 “smiles” lift to ceiling; lower part of enclosure attached to “Venturi” by snaps drilled thru Lexan & “acorn” nuts

- All covers Sunbrella Toast

Cockpit/Aft Deck

- Cockpit access stairs, port, with integrated steps and teak-clad fiberglass transom door
- Courtesy Lights, LED
- Decking, solid teak, epoxy bonded, TDS System
- Engine room access, pneumatic deck hatch, aluminum ladder
- Settee, molded fiberglass with cushions and access to large underseat storage area
- Flybridge access, molded fiberglass integral straight staircase, storage within, with teak treads and dual, stainless steel hand rails
- Self-draining cockpit, stainless steel drains, one each port and starboard
- Settee, (i) forward facing at transom, straight, molded fiberglass, underseat storage, (ii) cushions, self-piping
- Swim ladder, undermount
- Swim platform, teak
- Teak table - stainless steel pedestals, varnished teak custom table
- Transom access, port access stairs to cockpit, integrated steps
- Transom door, hinged, opening outwards, solid fiberglass, teak-clad, fiberglass transom door
- Transom planking, varnished teak
- Transom Shower, hand-held, in cockpit, with retractable hose, hot/cold
- Wet bar, with integrated sink and faucet

Lower Helm

- Chart Locker, teak, on port side of helm station

- Compass, flush mounted on top of electronics console, Ritchie
- Doors, port and starboard, (painted aluminum/teak) interior teak inlay, with stainless steel frame
- Retractable door screens, Phantom (port and starboard), optional
- Electronics console, wrapped with ultraleather, with teak instrument panel
- Electronics locker, overhead, teak
- Helmseat, Stidd Admiral Low Back, with deluxe chrome package and cupholder
- Backing plate installed inside salon sole for future additional Stidd seat to port, option
- Steering wheel, stainless steel, teak rimmed

Electronics

- (2) Garmin 5215 15" chart plotters with touch screen; (1) at upper station & (1) at lower station (2 total)
- Garmin GPS WAAS sensor for proper vessel position on displays
- Garmin black box sonar module system
- Garmin bronze through-hull transducer package for Sonar module
- 2 x Garmin GMi10 Digital Depth and data display for upper & lower stations
- Garmin Smart bronze through-hull transducer package for GMi10
- Garmin 72 mile 4' high definition open array radar antenna and pedestal motor package
- Garmin Satellite Weather receiver package with antenna
- Full NMEA 2000 Backbone infrastructure system
- Garmin dual station control GHP motor yacht automatic pilot system
- Garmin hydraulic hoses and fittings, as required for interfacing of Garmin Pilots to steering system

- Garmin 200 series NMEA 2000 marine VHF radio with DSC Operation
- 2 x Shakespeare 8' high gloss high performance VHF antenna w/SS ratchet mount
- NMEA data cabling for DSC emergency transmission
- KVH Satellite TV
- DirecTV package
- Flat panel TV's in salon, master stateroom and aft deck
- Additional radio & speaker upgrades

Flybridge

- Hardtop fiberglass, complete with lighting, optional
- Flybridge aft overhang support to align with fashion posts both port & starboard, custom optional
- Compass, flush mounted on top of electronics console, Ritchie
- Courtesy lights, LED
- 2009 model Boston Whaler w/ Mercury 50hp outboard engine
- Davit, electro-hydraulic, 1000 lb with hydraulic rotation, dinghy chocks, four movements (luffing, boom extension, rotation, winch)
- Dinghy chocks, stainless steel structures with teak pads, positioned athwartship
- Deck hatch, sliding, for access from cockpit to flybridge
- Deck non-skid, painted Awlgrip
- Electronics console, molded fiberglass with high gloss teak visor
- (2) Helmseats, Stidd Admiral Low Back, with deluxe chrome package and cupholder, (1) additional as option
- Locker(s) for under console storage
- Radar arch, molded fiberglass
- Seat cushions, vinyl

- Settees (2), (i) starboard L-shaped and port straight, molded fiberglass, underseat storage, (ii) cushions, self-piping
- Steering wheel, stainless steel, teak rimmed
- Storage lockers, lift top, molded fiberglass, port and starboard of electronics console
- Table, varnished teak with stainless steel pedestal
- Wet bar, fiberglass molded, starboard aft, integrated sink, cold water faucet, in lieu of standard to port with optional Isotherm CR49 refrigerator and custom Galley Mate 2000 propane barbeque grill, optional
- Windshield, tinted Perspex with stainless steel mounting brackets, grabrails

Interior Throughout

- V-Kool window tint on forward helm windows and port & stbd salon windows, optional
- Handrail companionway: (2) pieces of teak handrail at companionway step (small handrail at upper part and long handrail at bottom part), optional
- Bulkheads, (i) teak veneer, (ii) Formica
- Cabin doors, teak, polished chrome lock sets
- Cabinet furniture, teak faced
- Cabinet furniture, teak
- Countertops – galley & heads, upgraded to Granite, “Giallo Topazio”, optional
- Dimmer switches, in salon and cabins, Vimar, bronze covers
- Drawers, teak faced with positive locks
- Fabric package, custom package by A La Mer (upgraded)
- Grab rails, teak bars, stainless steel fittings
- Hardware, stainless steel and chrome
- Headlining, fabric panels, removable with Fast Mount System

-
- Hull ceiling, fabric panels
 - Indirect lighting, main deck Cantalupi
 - Lighting, LED, DC, Cantalupi
 - Lights, reading at berths
 - Outlets, AC
 - Portlights, lower deck, opening, with screens and storm shutters
 - Roman shades (lower deck)
 - Sole, teak and holly
 - Steps anti-slip, custom with rubber traction strips
 - Toilets, Tecma
 - Varnish, satin marine finish
 - Window shades, day/night (main deck)
 - Window treatments – lower deck, roman shades
 - Window treatments – upper deck, (i) side windows and side door(s) – Hunter Douglas
Duette Shades
 - Window treatments – upper deck, fabric curtains

Salon

- Top load access lockers for storage at port and starboard side ledges, optional
- SubZero Refrigerator/Freezer/Icemaker in custom teak locker forward of barrel chair,
optional
- Forward Overhead locker: custom designed forward overhead locker at port and
starboard for storage purpose and more finished look, optional
- Bar cabinet, teak
- Coffee table, teak
- Doors, aft deckhouse, sliding, (stainless steel) frame, Aritex

- End Tables; salon settee aft end table extended as custom optional
- Entertainment center, teak cabinetry
- Settee to port, L-shaped with storage, under-seat storage drawers; custom design settee with vertical face in teak finish in lieu of standard fabric finish with drawer under settee, optional
- (2) Barrel chairs at starboard with small locker between them, custom optional
- TV mounted to aft port bulkhead, custom optional (can be seen from salon, galley & dinette)
- Windows, opening with screens, port & starboard

Galley

- Countertop, upgraded to Granite, “Giallo Topazio”, backsplash guard, optional
- Dinette, L-shaped with teak table, flat top with pattern and maple inlay, fixed stainless steel pedestal; (1) large deep drawer for pantry storage and teak drawer face, optional
- Dinette Settee Storage: Additional deep storage drawer forward, optional
- Dishwasher - Fischer & Paykel (DD24STI6V2) under galley sink facing inboard, optional
- (4) non-refrigerated storage drawers, optional
- Custom Cooktop, propane, Seward #G 3278-1001 upgraded
- Exhaust blower, DC, 3” diameter
- Faucet, Grohe, single lever, pull-out head with hose
- Maximum storage space, custom optional
- Grand Banks Galleyware – flatware, glasses & bone china dishware and pots and pans in storage drawers
- Trash Bin: Larger Rubbermaid Trash bin, upgrade

- Overhead drop-down lockers, upgrade
- Granite for salon aft fridge/freezer top and glass storage cabinet, upgrade optional
- Microwave/convection oven, 110/120V, 60Hz, Sharp R930CS
- Sink, single bowl, stainless steel, Franke

Utility Room

- Full-size Refrigerator/Freezer - Kitchenaid KBFS20EVMS, custom optional
- Stack up washer/dryer, Washer (Asko#W6424, 220V, 60Hz) and Dryer (Asko#T793, 220V, 60Hz), optional
- Bulkheads, Formica
- Engine room access, watertight door with viewing port
- Lockers and storage, port and starboard; all lockers in utility room with adjustable shelves as custom optional
- Sole, teak & holly
- Work bench with (2) adjustable shelves with keeper above work bench, at starboard, optional

Master Stateroom

- Berth, Island queen, with custom 65" width and under berth storage drawers
- Cabinets, storage throughout
- Hanging lockers (2), teak, cedar-lined, w/ interior lights; additional (1) shelf (bottom) inside hanging locker as optional
- Head and shower access, private en-suite
- Mattress, inner spring, pillow top with memory foam
- Night tables, teak (2), each side of berth
- Port-holes, stainless steel, opening, smoked glass, with screens

- Reading lights, two (2), DC, chrome finish
- Utility room and engine room access, direct

Master Head

- Cabinets, under-counter storage
- Countertop, upgraded to Granite, “Giallo Topazio”, optional
- Sink, under-mount, Corian; upgraded to single large sink in lieu of standard
- Exhaust blower, DC, 3” diameter
- Port-hole, stainless steel, opening, smoked glass, with screen
- Shower drain, automatic drain pump, DC
- Shower faucet, Grohe, mixer, hand-held
- Shower stall, separate fiberglass cell, frameless glass door, Corian pan; custom larger shower compartment constructed by moving the head/shower bulkhead, optional
- Sink faucet, Grohe, single lever
- Skylight hatch, Manship, smoked, with Oceanair screen and shade
- Toilet, Tecma, freshwater flush toilet
- Vanity, above-counter storage

VIP Guest Stateroom, Fwd

- Berth, Island queen, with underberth storage drawers
- Hanging lockers (2), teak, cedar-lined, w/ interior lights
- Head access, en-suite
- Hatch with blinds and insect screen
- Mattress, inner spring, pillow top with memory foam
- Reading lights, two (2), DC, LED, chrome finish
- Skylight hatch, Manship, smoked, with Oceanair screen and shade

Guest Stateroom, Port

- Berths, upper and lower with foam mattresses
- Hanging locker, cedar-lined, interior light
- Mattresses, inner spring, pillow top with memory foam
- Storage, under lower berth

Guest Head

- Cabinets, under-counter storage
- Countertop, upgraded to Granite, "Giallo Topazio", optional
- Sink, under-mount, Corian
- Exhaust blower, DC, 3" diameter
- Shower drain, automatic drain pump, DC
- Shower faucet, Grohe, mixer, hand-held
- Shower stall, separate fiberglass cell, frameless glass door, Corian pan
- Sink faucet, Grohe, single lever
- Skylight hatch, Manship, smoked, with Oceanair screen and shade
- Toilet, Tecma, freshwater flush toilet
- Vanity, above-counter storage

Options/Upgrades

- Stern Thruster, Sleipner Sidepower (IP) SE170/250 TC, DC, optional
- Fresh water shore connection with pressure-reducer, optional
- Engine room shelves at transom with keepers, optional
- Engine room storage, spaces for storage of: oil to change engine and genset, engine spare parts and tool chest, optional
- Electrical System: 120V/240V, 60Hz, 24V DC, optional

- Outlets and Switches: Vimar, US Type #16245, optional
- Lights underwater (4) LED, optional
- Engine display, (2) additional Cummins Vessel View, optional
- Cabin Top Forward Locker: custom arrangement for port and starboard cabin top locker - vertical latch and gas lift, optional
- Retractable door screens, Phantom (port and starboard), optional
- Hardtop fiberglass, complete with lighting, optional
- Flybridge aft overhang support to align with fashion posts both port & starboard, custom optional
- Salon, Top load access lockers for storage at port and starboard side ledges, optional
- Salon, Freezer, SubZero UC24CI in custom teak locker forward of barrel chair, optional
- Dinette Settee Storage: Additional deep storage drawer forward, optional
- Dishwasher - Fischer & Paykel (DD24STI6V2) under galley sink facing inboard, optional
- (4) storage drawers, optional
- Utility Room, Full-size Refrigerator/Freezer - Kitchenaid KBFS20EVMS, custom optional
- Utility Room, Stack up washer/dryer, Washer (Asko#W6424, 220V, 60Hz) and Dryer (Asko#T793, 220V, 60Hz), optional
- V-Kool window is totally clear and rejects 55% of solar heat; installed on forward helm windows and port & stbd salon windows, upgrade
- Handrail companionway: (2) pieces of teak handrail at companionway step (small handrail at upper part and long handrail at bottom part), option
- Custom designed transom step to provide easier access to platform and deck, optional

- Flatscreen TV on aft deck, mounted yet removable with stowing station in engine room
- Anchor lockers top - Teak decking on top of anchor lockers in lieu of standard, optional
- Grab rails, stainless steel; optional s/s grab rails at port and starboard cabintop
- Backing plate installed inside salon sole for future additional Stidd seat to port, optional

- Check all A/C drains and sumps

Remarks

LUCKY STAR III has been maintained and serviced to the highest degree by her extremely knowledgeable owners. GB54EU has an extremely popular one-level design throughout the main deck and feels like most 65' yachts do as far as overall usable space. She has very low

hours, stabilized, 3 stateroom/2 head layout, and so much more! Here is an opportunity to own an AS NEW 2013 model Grand Banks 54 Heritage EU without the wait!

Exclusions

Owners' personal belongings. A complete list will be provided upon request.

Exclusions

Owner's personal belongings.
