SPECIFICATIONS

Overview

The Protector TARGA design offers a fully enclosed cabin design with comfortable deck space, seating for up to 10 adults, two 7' bunks, electric head and secure storage for overnight boating. The optional TARGA cabin tops include a full glass windshield hard-top, a 3/4 windshield hard-top and a 3/4 windshield canvas top with a stainless steel frame.

The TARGA's solid laminate, fiberglass hull is built for strength and safety and the chambered hypalon tubes provide shock absorption, stability and additional flotation. Together, the deep-V hull and UV resistant tubes create unmatched safety and performance compared to traditional hard sided boat designs.
