SPECIFICATIONS

Overview

Captain maintained and in excellent condition! Easy to see at Our Tierra Verde location.

The Tiara 3600 Open is a classic Tiara design. The hull has a sharp entry to smooth choppy sea-conditions, reverse angle chines making it one of the dryer vessels in its class. The Tiara 36 is fast yet very efficient. The Tiara 36 Open has a solid glass hull bottom making it extremely strong. Fully loaded with fuel, water and gear, the Tiara 36 draws less than 3.5' due to the propeller pockets and, unlike other manufacturers, the pockets do not interfere with docking maneuvers. The Helm layout is excellent giving the captain 360 degree visibility and the passenger L-Lounge is set high so that passengers are able to enjoy the view through the windshield. The Cockpit is perfect for fishing, snorkeling, SCUBA diving or lounging. The interior can accommodate up to 5 with the dinette converted and the Pullman berth folded up. The Island Queen Master Berth makes the 36 comfortable for longer cruises. The Galley is fully functional with a large under counter fridge/freezer. The head and shower are large for a vessel of this size.

Basic Information

Category: Sport Fisherman

Sub Category: Sport Fisherman

Model Year: 2008

Year Built: 2008

Country: United States

Dimensions

LOA: 36' 0" (10.97m)

Speed, Capacities and Weight

Displacement: 19100 Pounds

Water Capacity: 70 Gallons

Fuel Capacity: 400 Gallons

Accommodations

Total Cabins: 1
