DETAILED INFORMATION

Walkthrough

Upon boarding “DOUBLE D” you will note her large cockpit (113 sq. ft.) which is outfitted for fishing and provides easy access for in-water activities as well as comfortable area for relaxing while aboard. From the cockpit forward you will find easy access to the spacious and well lit engine room. Bridge access is provided from the cockpit ladder which is offset to the port. The fly bridge offers an extensive helm and overhead console, great electronics, helm seating for captain and mate, and generous wrap around guest seating.

Moving forward from the cockpit a sliding salon door located to starboard provides cabin access. The salon is spacious with an L-shaped settee to port plus club chair and ottoman. The vessel's interior is comprised of rich, solid teak woodwork and cabinetry throughout, excellent detailing, and quality fabrics which renders an upscale level of fit and finish. The entertainment center is located forward in the salon to port. One step down and to starboard is the spacious well equipped galley. Continuing forward and down two steps is the centerline companionway. The guest stateroom is to port followed by a closet with the stacked washer/dryer. To the starboard is the large head with stall shower and access to companionway as well as the master stateroom. The well-appointed master stateroom with centerline queen berth is located forward.

Main Salon

Upon entering the Salon from the cockpit thru a sliding door to Starboard you will find this area to be very spacious and well appointed. It is a wonderful area to entertain or relax while aboard and is filled with natural light from the large windows, which can be covered with silhouette blinds for privacy. The Galley is to Starboard and allows the Chef to be part of the ongoing activity.

- Settee, L-Shaped Ultraleather w/Storage under
- Coffee Table, High Gloss Teak
- Barrel Chair w/Footstool
- End Table, Teak 2 Drawer w/Lamp

• 110 V AC/12 V DC electrical system • AC/DC electrical panel • Onan Generator, 8kw w/Sound shield 1950 hours • Glendenning Cablemaster w/50amp Cord • Batteries • Battery Charger, Automatic • Battery Parallel & Disconnect Switches

Engine Details and Mechanical Equipment

"DOUBLE D" is powered with the preferable 600 HP MAN engines. A rebuild of both engines was completed by a MAN certified professional. She has about 250 hours on the port engine and 450 hours on the starboard SMOH.

• Fire Protection System, Automatic & Manual • Hydraulic Steering • Bilge Pumps (3), Automatic • Sea strainers • Trim tabs • Y-Valve Emergency Bilge Pumps • Bilge

Blowers • Air Conditioners, Reverse Cycle • Oil Changing System, Engines & Generator
• Spare propellers

Comments

The Viking 43 Convertible earned a reputation over the years as a first-rate tournament fisherman and an excellent open water Convertible. The mid-level galley is wide open to the salon and the head compartment and master stateroom are both very spacious. The interior of the Viking 43 is comprised of rich teak cabinets and trim with quality appliances and rich designer fabrics—upscale accommodations indeed for a serious fishing boat. Topside, the flybridge is among the largest in her class and features an efficient wraparound helm console. The cockpit includes a transom door, molded tackle center, an in-deck fish box and direct engine room access.

Exclusions

Owner's personal belongings.
