## Accommodations

---

Coming below down the companionway from the cockpit one enters the main salon with a semicircular dinette forward. To port is the nav. station. Aft of that is the storage room containing work bench and the generator in a sound shield. To stbd. across is the galley which extends into the companionway to the aft stateroom area. Moving forward along the stbd. side one enters the companionway to the forward stateroom area. The forward stateroom has large hanging lockers to stbd. when entering and the full sized bed forward in the bow to port aft box the bed on the side is a sink and counter with mirror. Aft of it one enters the head compartment containing a stall shower and toilet. There is a large flat screen TV on the port side near the foot of the bed. Moving aft in the galley along the stbd. side and through the companionway to aft one enters the aft stateroom. The aft stateroom has a full sized bed aft. There are large hanging lockers on the stbd. side forward of the foot of the bed. There is also a large flat screen TV bracketed to the wall for the aft bed. To port across at the foot of the bed is a sink and counter with mirror. Forward of the sink area one enters the head compartment containing a stall shower and toilet. Both sink areas and heads in the forward and aft staterooms are finished the same. The heads are fully tiled shower compartments containing the toilets outboard. The sink areas have ceramic basins and tiled counters. The galley counter is tiled and the sink is ceramic. The cabin soles throughout are Teak and Holly varnished and in good condition. The vinyl headliners are new. There is a large flat screen TV for the main salon area. The feel below is open, spacious, and airy. There is lots of storage for a live aboard. The interior is in overall good condition. On deck the cockpit is large with plenty of seating and the deck space is expansive.
