Overview

Royal Jest has just finished receiving a beautiful new Awlgrip paint job! (5 - 08 - 15) Still a very motivated seller is willing to pass only the cost of the paint job to the buyer. Royal Jest was turn-key before but now she is like new. An estate sale! Ready to live aboard or go cruising You must see this trawler as it is a real sleeper! The Yehasso 43 was built in one of the finer yards in Taiwan along with such boats as Chien Wa and Marine Trader, she features a striking similarity to the Chien Wa. The quality of Royal Jest is very good along with her current condition. Her interior was brought up to snuff by the current owners along with the electronics and engines. She sports a brand new generator and will need no work on the interior to cruise away. Her exterior is in need of a buff and wax which the present owner is giving her at this time. Absolutely a great boat for Island Cruising and The Loop. Given what she can be bought for and what she is probably really worth this is going to be a steal for some lucky buyer
