Hull Color: White

Hull Finish: Plastic

Engine Information

Engines: 2

Manufacturer: Mercruiser

Model: 8.1

Engine Type: Inboard

Fuel Type: Gas

DETAILED INFORMATION

Vessel Walkthrough

Offering a spacious above-deck layout and a performance-driven profile, the 3772 Express (also called the 370 Express) provides outstanding handling and maneuverability without compromising her well-appointed accommodations.

The above deck layout of the 3772 includes wrap-around cockpit seating, double helm and companion seats, a convertible table/sun lounge and a cockpit wet bar with icemaker/refrigerator. The salon has a family-room feel with its warm cherry wood and an airy layout. The salon features a crescent-shaped sofa, a stereo/CD player and an entertainment center. The forward stateroom features a full-size bed with private door entry, unlike many other competitive models out there. The full service galley boasts a large refrigerator located at eye level which allows for more galley storage. The head features a separate shower stall with full standing head room. The optional aft stateroom features a separate door entry and has two single berths that convert to a double berth for additional overnight accommodations.

On deck, there is a walk-thru windshield with steps for easy bow access, transom shower and fender storage in the expansive swim platform. Twin 8.1 L Mercruiser inboard engines provide top-end performance around 32 kts!

Salon

- Crescent-shaped seating to starboard
- Ample storage in cabinetry and under seating
- Beautiful cherry woodwork throughout
- Excellent headroom throughout cabin

Galley

- Corian-Style solid surface countertop
- Electric water heater
- Microwave oven
- Electric refrigerator/freezer
