Overview

The Beneteau First 345 was designed as a moderate displacement racer/cruiser, and much of its popularity has been because of its success in blending the two functions. In fact, it could be said that the First is a racing boat that contains a cruising interior. The architect is Jean Berret, a Frenchman noted for his cruising and racing designs. The fin keel and spade rudder of the 345, coupled with a shallow bottom, have minimal wetted surface. Her interior features varnished woodwork with private forward and aft cabins, aft head, large salon with galley and nav station.

"Faster" is the shallow draft, tall rig model, owned by a knowledgeable sailor and shows pride of ownership! Broker Comments

The "First" series of Beneteau are well known for their excellent sailing abilities, their tough construction, and their excellent finish work. This boat sails like a dream. You can let the helm go for 30 minutes and she tracks a straight course. She's fast too, the 345 is known as a "racing boat with a cruising interior". Inside she is finished to high standards of wood work and joinery. All teak and mahogany. This boat is a capable world traveler, competitive club racer, and accommodating cruiser.

"Faster" is owned by a knowledgeable sailor and shows pride of ownership
