SPECIFICATIONS

Overview

The Sanlorenzo 52Steel (170 ft) combines classic Sanlorenzo design with the latest style. Elegant, sober lines and harmony make for a superyacht in metal with no overstatements. The yacht has a steel hull with an alloy superstructure, she will measure just under 500 gross tons. She is powered by Caterpillar 3512C main engines. At an economical speed of 11 knots, she has a range of 4400 nmi. Exterior and interior spaces are clean and refined. Glass panels surrounding a rectangular Jacuzzi pool create a serene focal point on the aft deck. Just inside is a generous main deck salon exploding with natural light. There is plenty of space for relaxing or entertaining. Full walk around deck on the sky lounge level. Upper deck Salon as a large seating/lounge area, in addition to formal dining areas outside and inside. A pantry is conveniently placed in the upper deck lobby area. Spacious beach club and adjoining gym/multi-purpose room with day head. Optional elevator and helipad. The master suite is located on the main deck, with four guest staterooms on the lower deck, each with ensuite heads. Captain's cabin and crew office are adjacent to the pilothouse. Total accommodations include 10-12 guests and 9 crew. **New construction. Please call for delivery availability.** *Sanlorenzo of the Americas provides direct access to the shipyard for customers in North America, Central America, and South America. Headquarters in Fort Lauderdale, Florida.*
