## Overview

---

The forward most compartment is a forepeak locker containing the anchor rode. Aft of this in the starboard hull is a stateroom with a berth, a desk, and a hatch in the overhead. Aft of this is the galley and steps up to the center section. Forward in the port hull is the master stateroom with a double berth and hatch in the overhead, followed by the head. In the head there is a fresh water marine toilet, a vanity with a sink, and a shower. In the raised center section there is a helm station forward with steps down into each hull and a raised settee to port and storage starboard. The two hulls connect in the bow through a sliding panel you can open between the two berths. The aft cockpit has open deck space with hatches in the sole for access to the engine rooms and storage.

**EXTERIOR** This is a production built 34' Glacier Bay catamaran powerboat. There is a foredeck and side decks with handrails that lead aft past a low profile trunk cabin forward and raised main cabin amidships to a large aft cockpit. The bows are raked while the transom is plumb with a transom platform. The underbody is fine forward with narrow hulls and moderate deadrise. The hulls are blue while the deck and superstructure are white with non-skid decking.

-Hot & cold deck shower

**INTERIOR** The forwardmost compartment is a forepeak locker containing the anchor rode. Aft of this in the starboard hull is a stateroom with a berth, a desk, and a hatch in the overhead. Aft of this are steps up to the center section and the galley. Forward in the port hull is the master stateroom with a double berth followed by the head. In the head there is a marine toilet, a vanity with a sink, and a shower. In the raised center section there is a helm station forward followed by steps down into each hull and a raised settee to port and storage starboard. Down and aft of this is the cockpit with hatches in the sole for access to the engine rooms and storage.

-Fresh water flush toilet - tank in port engine room

-Master berth lifts with storage below

-3 refrigerators - 2 in galley, 1 in center cockpit Additional Information:

-Salt water washdown in stern cockpit

-60 gallons fresh water - tank is behind panel just above and inboard of vanity in head

-Gas generator

-Xtreme heaters in bilges to keep above freezing
