SPECIFICATIONS

Overview

(LOCATION: Fort Myers Beach FL) The 105' Swiftship is built to be a multipurpose commercial vessel. M/V Florida Fish Finder has for decades taken many thousands of passengers on the fishing adventure of a lifetime and now she's ready for her own next adventure. A 105' Swiftship built in 1980, she's had several modifications and refits over the years to keep her a very up to date, comfortable and efficient operation.

She is currently configured for overnight fishing charter sleeping 36+crew or for day trips, 84 persons onboard. She can easily be reconfigured for many other purposes including liveaboard dive, crew/supply vessel, housing for dredging or other maritime projects, a research vessel, ferry operation, and many more.

This 105' Swiftship has an aluminum hull, pilothouse, open upper deck, berths for 36 passengers, full galley, laundry, basically everything you need for extended duty.

Powered by twin Caterpillar 3412 TA producing 1680 horsepower. She will burn between 20 and 35 gph depending on cruising speed. She is equipped with twin 30-kW generators, two compressors, an 800 gpd watermaker, dual zone HVAC, and bow thruster. The pilothouse features the full range of electronics to provide safe and accurate navigation.
