# ХАРАКТЕРИСТИКИ

## Обзор

This is the cleanest most up to date Hatteras of it's size and vintage on the market today. I have never seen such a nice yacht of this vintage! She was purchased last year by someone who had the intention of cruising part time and then putting her into part time charter for the rest of the time. After the purchase of the vessel he then invested over \$650,000 at a Fort Lauderdale shipyard. (call for details) Here is what is on page three of the survey,

Completion of the refit cost in excess of \$500,000.00. This is documented in invoices and was substantiated via this inspection. Taking into account the current condition of the vessel, and the upgrades, it is the opinion of this surveyor that the vessel's market value is approximately \$850,000.00 (eight hundred fifty thousand dollars). Replacement value is approximately \$5,000,000.00 (five million dollars). This included a full hull paint job(top to bottom), including engines and engine room. all new electronics (Garmin touchscreen at both stations), GOST security system with Sailor Uplink, all new soft goods from top to bottom, New tender(with GOST tracking system) and a totally new galley. The galley is impressive and had over \$70,000 invested with all new BOSH appliances to include a giant three door fridge freezer, stove, dishwasher, microwave, trash compactor as well as new countertops and cabinetry. New dishes/pots/pans. New linens throughout. New carpet. And to top off the galley has a espresso machine. Brand new Aquamisser 1,200 GPD water maker which has never been started. All new running lights. New SS anchor(never dropped) all new lines and fenders. But wait, a few steps to the upper deck includes a wet bar with a propane grill along with a wine cooler and even a beer tap that dispenses from a full size keg! All safety gear is in place to make her SOLAS compliant for charter with the exception of a fire suit and man overboard exposure suits. The safely gear which includes two six man Viking life rafts was an over \$25,000 investment. New fire system in engine room. A brand new 12' AB hard bottom RIB with a 30 HP Tohatsu outboard, with Gost tracking system is on the top deck and lowered into the water with it's davit. After investing all this money in the purchase and upgrade of this yacht - **Guess what** - the wife don't like the boat or the boating/cruising lifestyle. So his loss is your gain. This boat has it all and is a steel at this price and is truly ready to go. If you are seriously looking for this size and vintage yacht then this one is for you. Give me a call and I will let you know how you can come over to Freeport for free for an inspection. Recent engine surveys available.

This vessel is registered in Jamaica. Which means she can charter for 82 days per year.

This vessel is not Bahamas Duty Paid and is in the country on a valid cruising permit. It is not available for sale to a Bahamas resident or citizen of the Bahamas without the payment of Bahamas import duty and VAT.
