# SPECIFICATIONS

---

## Overview

---

Najad have one of the finest reputations in world cruising yachts. Their quality is unquestionable, their sea-keeping superb and their looks are timeless. MAGIC a is truly spectacular example, she was one of the last Najad 380's ever made and is in such great condition she could easily be passed as new. The current owner hasn't even spent a night on-board her and she is reluctantly selling due to this very reason....lack of use. She comes well equipped for cruising with in-mast furling, bow-thruster, stainless anchor and chain, Raymarine electronics, C120W plotter with 4kw radar, AIS, and much more.

## Basic Information

---

- Grab rails on windscreen.
- Grab rail on dodger, leather covered.

#### *Fire-fighting equipment:*

- Propane sniffer in galley.

- Fire extinguishers.

---

## Broker's Comments

---

This is a truly unique opportunity to purchase not only essentially a brand new boat (the owner has never slept on it) but the second to last Najad 380 made.

The condition is flawless. There is not a spec of dirt on it, and since being delivered in new in June 2011, it has spent 9 months stored inside annually.

One of the nicest 380's we have sold, the boat has in mast furling, bowthruster, stainless anchor and chain, Raymarine electronics, C120W plotter with 4kW radar, AIS and more.

Light used, for sale due to owner's change of plan.

---

## Exclusions

---

Owner's personal belongings.

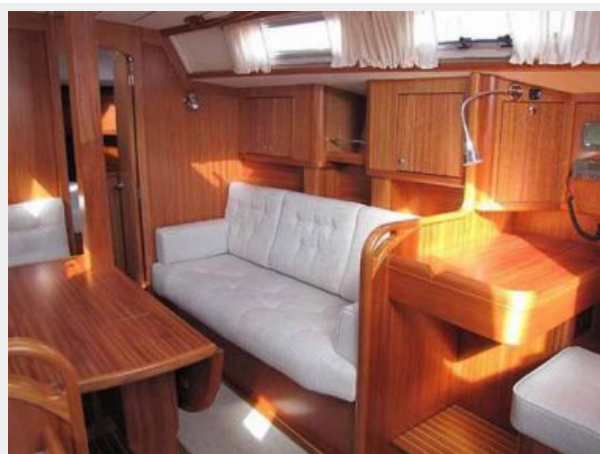

---
