Hull and Deck Information

Hull Material: GRP

Deck Material: GRP

Hull Designer: Berret/Racoupeau Design

Engine Information

Engines: 1

Manufacturer: Volvo Penta

Model: MD50L

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Broker's Comments

A stunning example of this exceptionally high quality cruising yacht from the Wauquiez Yard in France.

Equipped and maintained to a very high standard by her current owner. This is a must see yacht well suited for West Coast of Scotland and beyond cruising.

PLAYTIME was the Earls Court London Boat Show yacht in January 2002.

Owner's Comments

The boat has been lightly used exclusively for family recreation and has not been raced (although she carries her sail well - full genoa in 20knots+ and surfs at 12knots+ in a decent blow!). Always marina based, the summer cruising has been limited to the Clyde and the normal 10 days up the inner west coast. The boat is genuinely unmarked inside and out and is professionally polished and antifouled each year. In summary, Playtime is an ideal family or couples boat with generous space and facilities finished and constructed to a standard certainly a level above the normal volume production boat and this is demonstrated by the still 'as new' condition after 12 years of use.

Construction

RCD Status: The yacht conforms with the essential safety requirements of Directive 94/25EC (Recreational Craft Directive) and is categorised A – “Ocean” (or Cat B – whichever is appropriate)
