## Overview

---

Wally One is the first ever Wally Yacht. As with each of its successors, this 1991 Wally design was far ahead of its time, and revolutionized the Superyacht world. Luca Bassini Antivari, President and co-founder of Wally, built this first Wally as a luxury cruising yacht which could be enjoyed by families, with the performance capabilities of a maxi-yacht racer. In 2009, WALLY ONE benefited from a major interior and exterior refit, and in 2011 underwent further cabin improvements. She can welcome up to 11 guests onboard for a fantastic yachting experience.
