# DETAILED INFORMATION

---

## Accommodations

---

The wide gunwales and extended swim platform provide easy boarding onto this sleek vessel. A teak deck on the port side of the aft deck allows guests to access the well laid out cockpit. A large, comfy sun pad over the engine hatch provides sun worshipers with a cool raised area for sun bathing. The center starboard cockpit has a u-shaped settee with fold out table so captain & crew can dine with room for six. Across to port is a wet bar with enclosed sink & icebox. Just forward of that is an icemaker. The helm is on the starboard forward cockpit area. The elegant helm with well laid out instrumentation gives the captain a commanding view of his surroundings. Some helm features include hydraulic steering, Garmin chart plotter and Keikaffer clutch and throttle controls. A stainless steel framed swept windshield deflects wind and salt spray. A radar arch supports the forward and aft bimini tops and supports the array of antennas along with the satellite TV antenna. The huge forward deck has 3 deck hatches to air out the cabin and a forward deck hatch gives access to the electric windlass with stainless steel plow anchor.

A large tinted sliding door lures guests into the sophisticated cabin. The beautiful salon boasts white vinyl overhead and blue berber carpet with protective runners. All cabinets and doors and forward cabin bulkhead feature high gloss cherry wood interior. The galley immediately to port encloses a double stove top, molded sink, microwave, refrigerator and abundant storage. Forward of the galley are two leather bolster seats with head rests. Across to starboard is the large long curved leather settee. A high low table which flips open provides guests with a dining area. Aft of the settee is an enclosed head. Head appointments include electric head, sink, mirror, shower hose, and teak cabinets.

All the way forward is the enclosed master stateroom. A large double berth with overhead accent lights provides cozy sleeping accommodations. Other highlights include large cedar lined closet, deck hatch, reading lights, and high gloss teak trim.
