SPECIFICATIONS

Overview

The Manhattan 63 is perhaps the ideal personification of a boat that packs innovation, luxury and performance into an exceptionally graceful frame. The power package includes the optional MAN 1220 hp engines that accelerate the yacht to a breath-taking 33 knots (60 kilometers per hour) ! Virtually all of the available factory options are installed, including upgraded tropical Air Con. There are four staterooms including a spacious midship full-beam master with walk-in wardrobe and very large hull-side windows. Saloon and entertainment space has been increased and enlarged over prior year models and the panoramic superstructure windows offer a broad view of the horizon and a feeling of bright and airy openness. "OSCA" is the most highly spec'd 63 Manhattan built to date, and boasts a stunning black hull, teak decks throughout, high-output water maker, gyro stabilizer system, FUSION sound system, Satellite TV and much, much more. This excellent Sunseeker, with the popular 'galley-up' design is uniquely designed for owners who enjoy the preparation and presentation of meals as a family experience. All fabrics and furnishings have been carefully chosen by the owner so to create a warm, family feel to the boat without sacrificing the evident luxurious bearing. Above decks, there are upgraded sound systems for the flybridge, foredeck and sun deck zones. The flybridge again has lots of room and is fitted with a bar and a BBQ to make your time on the water fun and comfortable. Below main deck are four spacious ensuite staterooms that are also carefully appointed with consideration for luxurious comfort and space. Each of the suites contain the signature Sunseeker attention to detail that show your guests that their enjoyment aboard is not an afterthought. The owner of this new model is now looking to upgrade to a larger Sunseeker model. This beautiful gentleman's yacht offers a tremendous amount of yachting lifestyle and presents very well as a nearly-new family yacht. She competes exceptionally well in terms of quality, condition and value. Mark her as a must see yacht, particularly at this price. Call or email for a private showing.
