Hull Configuration: Modified V-Hull

Hull Color: Fighting Lady Yellow

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: C-7

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Description

For more than 25 years, Rampage Sport Fishing Yachts have taken the world fishing.

Originally conceived, designed and built for offshore fishing on the rugged waters off New England, Rampage earned a reputation of seaworthiness and versatility. Today's Rampage is still a rugged offshore fishing platform, but now built to a level of comfort and style that appeals to the entire family – the best of both worlds.

From 30' to 45', the Rampage line-up is designed with offshore enthusiasts in mind. Whether your passion is chasing billfish or cruising with friends or family a Rampage will deliver exceptional versatility and a smooth, dry ride.

Rampage is owned by KCS International, the same privately held company that owns Cruisers Yachts. Both brands are built in Oconto, Wisconsin, on the shores of beautiful Green Bay. Oconto is a small town with a big boat building heritage spanning more than 50 years. The KCS facilities include more than 350,000 sq. ft. of modern, climate controlled production and assembly space in a single location. Boats built in Oconto have earned the NMMA's top CSI award for the past seven consecutive years.

The Rampage 33 Barta CE is a premium express fishing boat whose spacious layout offers as much in the way of comfort than any boat in her class. Built on modified-V hull with prop pockets and a full 13 foot beam, the Rampage draws a mere 29 inches of draft. Her center-helm design features a tilt-out pod that affords excellent visibility and access. Aft of the helm-deck, the 70 square foot cockpit can be configured with a 45 gallon live-well and bait prep center for fishing, or web bar and fold-away bench seating for cruising.

Below deck, the well-appointed interior of the Rampage 33 can sleep six, the forward V-berth/dinette area converts to four single bunks, and the standard sofa folds out to form a queen berth. High-gloss Cherry joinery and Corian galley counters highlight the décor.

- Custom Barta Canyon Runner Edition (CE)
- Upgraded C7 460hp CAT engine package
- Platinum CAT warranty until Dec 2016
- 854 Hours
- 9K Onan Generator w/ SST Pan (new heat exchanger with sensor)
- 805 Hours
- Fuel Capacity 428 Gallons, extended fuel tank

Accommodations

The Rampage 33 Barta CE has 6'6" of headroom, as well as, a spacious interior that gives the feeling of a comparable 35' yacht. The dinette table forward drops to create a V-berth in the bow that sleeps two in a double, with two more in singles above. Leave the table up and there are four single berths. The leather sofa also converts into a queen berth. Corian countertop in the galley complements the cherry wood found throughout the cabin. High quality fabrics and wall coverings offer a yacht-like interior. The head is fiberglass lined for easy cleaning. The Techma Thinsulate throughout the cabin and around the engine room provide for a very quiet ride.

Salon:

- 6'6" Cabin Headroom
- Cherry Wood interior
