SPECIFICATIONS

Overview

For the 2009 model year, Sea Ray called this boat the 430 and in 2010 the same boat model is called the 470. The 47' Sea Ray Motor Yacht MANGO'S III was built late in the year and Sea Ray placed the 470 numeration on the side of this sport yacht with Zeus drives and Skyhook. This boat is powered with the Cummins 480 engines with 325 hours as of August 2015. Some of the Sea Ray options are the blue gel coat hull, generator upgrade to 13.5 kw, hydraulic swim platform, wood floor in the salon, central vacuum system, cockpit air conditioning, cockpit grill, 19" flat screen TV in cockpit, two Raymarine E120 display screens.

DETAILED INFORMATION

47' Sea Ray Motor Yacht MANGO'S III

47' Sea Ray Motor Yacht MANGO'S III is an ultra clean and upgraded craft with low hours and a large cockpit, which is always one of the most desirable features of all of the Sea Ray Sundancers, perfect for entertaining on one level instead of stairs to a flybridge. With a double helm seat and a L-shaped guest bench forward, plus the wraparound cockpit seating with table there is room for the family plus friends. The hardtop has two electrically operated sunroof panels to let in the fresh air, or to close up to enjoy the optional cooling air conditioning. With a full hardtop and real glass windshield there is no need to try to see through the glass when running this boat. To port of the wrap around seating is a wet bar with refrigerator and barbecue grill perfect for set up of meals and snacks. The removable flat screen TV is mounted over the wet bar. The aft portion of the wrap around seating has seat backs that can swing away to make a sunpad and the tables are the optional high gloss wood. The interior design is clean and modern with a cherry-wood veneer yacht interior. The master stateroom is forward with ensuite head and stall shower and the guest stateroom is midship with a nicely designed twin berth that can be converted to a single queen berth. The main salon has larger windows for extra natural light, and the couch can convert to an additional double berth. The galley has many built ins for efficient use of space for the preparations of snacks and meal.

Manufacturer Provided Description

The 430/470 Sundancer comes standard with twin Cummins MerCruiser QSB 425 diesels (425 hp - 313 kW) mated to Zeus drives — individually articulating pods that offer up to 15 percent better fuel economy and 15 percent faster top speeds than regular inboards. Plus, the Zeus-equipped 430/470 Sundancer provides a more comfortable ride because gear noise and vibration are significantly reduced. Optional power includes twin Cummins MerCruiser QSB 480 diesels (474 hp - 353 kW) with Zeus drives. Above the waterline, the 430/470 Sundancer is everything that discriminating boat owners have come to expect from the definitive express cruiser series on the water. It starts with a trademark reverse sheer line, below which are two oversize hull windows and 10 portlights. A hardtop integrates seamlessly with the windshield for the ultimate in weather protection and climate control (helm air conditioning/heating is included), yet you can still let the sun shine in thanks to two retractable skylights. The captain will enjoy that sunny warmth from a double-wide helm seat with flip-up bolster and armrests. It slides and adjusts vertically in front of the gel-coated dash with SmartCraft VesselView Display and MerCruiser digital throttle and shift. To port, guests can lounge on the big L-shaped bench. The seating options continue in the cockpit, which boasts a U-shaped lounge flanking a convenient optional solid wood table; a wet bar opposite features a solid-surface countertop, sink and icemaker — this craft

includes a removable flatscreen TV, stainless-steel barbecue grill and icemaker. At its heart, the 470/430 Sundancer is a boat that will make owners feel comfortable in any situation, whether it be driving, docking, entertaining, or cruising with friends and family.

Accommodations/Overview

Spacious layout has a Master Stateroom forward with private en-suite Head and separate shower. Guest Stateroom is mid-ship with Guest Head and shower.
