SPECIFICATIONS

Overview

\$20,000 Price Reduction! Call Today! The Albemarle 305 Express is a great boat for offshore fishing or family cruising. Twin Yanmar 315 h.p. diesels provide a comfortable and economical cruise at 26 knots. This vessel has always been kept on a lift which is a rarity for inboard boats of this size. The boat is loaded with electronics, including 11" Furuno Navnet displays for the lower helm and tower. All offers will be considered. Shipping quotes are available upon request.

Fuel Type: Diesel

DETAILED INFORMATION

Engines

The Yanmar 315 h.p. engines have been serviced this spring. Please note that the generator has been removed. A quote for a new generator can be available prior to purchase.

Layout

The cockpit and helm are separated by one step up to the console. The helm is centerline with a raised pilot's chair. There are settees with storage on both sides of the helm area. Below decks the port side sofa converts into over/under bunks. The Queen sized berth is located forward on the starboard side. There is a small dinette located between the bunks. The galley faces forward along the main bulkhead. The head and shower are on the starboard across from the breaker panel.
