SPECIFICATIONS

Overview

The "Empty Pockets" received a "no expense was not too much" refit in 2006. In 2007 the big block gas engines were replaced with Yanmar GLPA-STP 315 horsepower diesels. Read on in the "View Full Specification's" to see all of the details of this incredible refit.

Here is an opportunity to own by far one of the most iconic boats ever built. With its classic design and modern amenities you are sure to turn heads at the marina or 60 miles offshore !
