SPECIFICATIONS

Overview

Price reduced \$20,000. Entire boat just compounded/waxed and bottom cleaned. A must see for anyone in the market for an "as new" Offshore 54. This yacht has been lovingly and professionally cared for, winter-stored in a heated building all her life, she has essentially only seen the equivalent of five years of in-water use! Features the "open layout" plan which offers a great sense of space as well as virtually unrestricted sight lines from the pilothouse and salon seating. She also features many upgrades and factory extras. Excellent condition and would make a perfect live-aboard or great-loop yacht. This is a tremendous value in the 50-60' market.

Basic Information

Category: Motor Yacht

Sub Category: Pilothouse

Model Year: 2003

Year Built: 2003

Country: United States

Vessel Top: Bimini Top

Fly Bridge: Yes
