SPECIFICATIONS

Overview

Cheers is a lift-kept 3900 Sovran with IPS pod drive technology and joystick control that shows her love and care from a fastidious owner. No expense has been spared in her care and will be evident to even the most discerning purchaser. The Tiara 3900 Sovran has been one of Tiara's most popular models due to her performance, layout, comfort, and beautiful appointments. Enjoy abundant sunshine in her cockpit with seating for numerous guests or move under cover into the climate controlled helm deck with additional seating for many guests. Below deck has a great layout to include a private owner's cabin forward, a sizeable galley to starboard, a settee/lounge to port, and additional lounging space mid-cabin that can also be utilized for additional accommodations. Make your appointment today to preview one of the best opportunities in a low hour, turn-key 3900 Sovran.

Manufacturer Provided Description

This Sovran continues the Tiara Yachts tradition of quality and engineering that takes full advantage of Volvo IPS technology – including the new IPS joystick control – for superior handling, noise and fume reduction, and fuel efficiency. The full complement of IPS technology delivers 360-degree direction control at your fingertips. By utilizing the space advantages of the IPS drive in a single stateroom layout, Tiara Yachts designers have been able to open up the salon and increase the size of the head, including a full-frame door and stall shower. The extra space is also put to practical use in a step-down “theater” lounging area. The 3900 Sovran is a uniquely livable single-stateroom floor plan that's ideal for cruising. Its living space is well thought out and fitted out with traditional Tiara Yachts attention to quality, seaworthiness and lasting value.
