### VETUS BOW THRUSTER

### FRESH WATER BOAT from the Great Lakes

**BARRIER COAT and BOTTOM JOB in Nov 2014** "Shar Lynn" is a beautiful 340 Cruisers Express that's lived most of her life in fresh water (Lake Ontario) where she was used 3 months out of the year and then winterized the rest before being trucked to Florida in late 2013. She's a straight forward mid-cabin cruiser with contemporary styling, cherry wood cabinetry, modern construction and upscale accommodations. Her interior accommodations will sleep five comfortably with a forward master, aft guest stateroom and convertible dinette in salon. Located just to port of the companionway is a full-service galley with all the amenities, including a large refrigerator/freezer, microwave and double-burner electric stove. Forward to port is a large head with separate shower stall. This yacht is a must see!

The forward stateroom features a large double bed with easy access, and can be closed off from the salon by a privacy curtain. Aft, owners can select either a fixed double berth, maximizing overnight accommodations for guests, or an alternate layout with a circular settee that can also be converted to a double berth. With the settee layout, this area can effectively lengthen the salon into one wide open living space or, with the privacy curtain, it can serve as a comfortable midcabin. The crescent-shaped, convertible dinette - to starboard provides an additional berth.

The crescent-shaped, convertible dinette - to starboard provides an additional berth.

Located just to port of the companionway is a full-service galley with all the amenities, including a large refrigerator/freezer, microwave and double-burner electric stove. For additional onboard convenience while cruising or living aboard, the 340 also provides a feature unusual for a boat in this class: a spacious head with a large, separate shower stall and full standing headroom. Abovedecks, the 340 has a generous cockpit seating arrangement that is ideal for dockside or on-the-water entertaining. She also features a wet bar, cockpit shower and available cockpit refrigerator or ice maker - perfect for fun-filled summer afternoons with family and friends. A custom-fitted enclosure will keep everyone protected from the hot sun or inclement weather.
