SPECIFICATIONS

Overview

NEW TO THE MARKET! The 375 combines the performance, seaworthiness and fishability of the world's top inboard battlewagons with the luxuriousness of the most comfortable cruisers. Its sleek express-style design features an enormous 13-foot beam which results in an expansive cockpit and roomy accommodations below decks. She offers an ***AC HELM AREA***, and is exceptionally clean and well maintained. This Pursuit shows extremely well and ***IS A MUST SEE!***

Manufacturer: Yamaha

Model: 4S

Engine Type: Outboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Manufacturer Provided Description

Every inch of this boat exudes yacht quality fit and finish, from its beefy grab rails, to its bow thruster, to its Corian-countered gourmet kitchen complete with a two-burner glass stovetop, microwave, 7.5 cubic-foot stainless steel refrigerator/freezer and stainless steel polished sink with hot and cold pressurized water. Also below decks, light-colored interior accents and strategically located ports make the interior spacious and inviting. Opposite the galley, the curved dinette seats you and your guests for a comfortable dinner at the custom teak table with a telescoping pedestal. The head compartment features an enclosed head/shower area separate of the vanity area so that the wet area is contained requiring minimal clean up after a nice hot shower at the end of a long day. You'll also find ample storage and even a towel bar, clever touches by people who obviously know how precious space is to boaters. Amidships you'll find a double berth that can actually accommodate adults, complete with a convenient settee with sitting headroom and reading lights. The forward berth provides additional space with a pull out drawer to maximize the sleeping area when it's needed and optimize interior space when not in use. A lighted hanging locker, below berth storage drawers and compartments allow you to tuck away clothing and accessories for immediate and easy access. If you've been yearning for yacht-like performance and features, without the constant maintenance and expense, the 375 OS is the answer to your dreams.

Deck, Hull & Cockpit
