### VESSEL WALKTHROUGH

The 50' Hatteras Convertible was re-introduced in 1991 and quickly became popular as a smaller convertible with either 3 staterooms and two heads or a 2 stateroom model with a galley mid level and two heads. Colonial III has the 2 stateroom layout. All staterooms and heads are down. All around this boat is a proven tournament contender with room and a nice ride. She is heavily built on a modified V-Hull and a wide beam with a notable deep keel. New to the market and priced aggressively, Colonial II has a great history, lots of maintenance records and ready for survey!
