SPECIFICATIONS

Overview

A fantastic example of the Windy 28 Ghibli, with low hours on her twin 190HP diesel engines. Fairly rare to the market, especially in this sought-after colour scheme. "Amourette" has a bow-thruster and anchor winch to make life that much easier, with the benefit of punchy twin diesel engines. She has teak laid cockpit and bathing platform and her hull dynamics are super – A truly rewarding drivers boat.

Basic Information

Category: Motor Yacht

Model Year: 2007

Year Built: 2006

Country: United Kingdom

Dimensions

LOA: 27' 9" (8.46m)

Beam: 8' 10" (2.69m)

Speed, Capacities and Weight

Cruise Speed: 29 Kts. (33 MPH)

Cruise Speed RPM: 2800 Kts.

Max Speed: 43 Kts. (49 MPH)

Max Speed RPM: 4000 Kts.

Displacement: 5952.481074 Pounds

Water Capacity: 21.13376416 Gallons

Fuel Capacity: 99.0645195 Gallons

Accommodations

Total Cabins: 1

Total Berths: 2

Total Heads: 1

Hull and Deck Information

Hull Material: GRP

Deck Material: GRP

Hull Configuration: Planing

Hull Finish: Aluminum

Hull Designer: Hans J Johnsen

Engine Information

Engines: 2

Manufacturer: Volvo Penta

Model: D3 190 EVC DP

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Construction

Windy are a product of traditional craftsmanship, enhanced with the aid of modern technology for improved performance, greater strength and reduced noise throughout the vessel.

The hull is reinforced with advanced multi axial glass-fibre matting and Divinycell. This allows a reduction in the boats weight of up to 20% whilst offering noticeably improved stability.

All the Windy models are CE-labelled. This means that Windy meets all the requirements laid down for quality control documentation and product liability within the EU. In the process of obtaining approval, the company has also introduced new methodologies construction principals and more advanced construction production equipment, resulting in more cost-effective and quality oriented processes in-house.

But above all, Windy is a “Boat Builder” and not a manufacturer of boats, a philosophy, which characterizes their production staff and all those within their distribution network.

Extras above Standard Configuration

- Bow thruster
- Teak laid decking in cockpit
- Teak laid decking on bathing platform
- Raymarine A50D colour plotter
- Raymarine Tridata
- Raymarine 54E VHF / DSC radio

Broker's Comments

The 28 Ghibli's legendary Norwegian build quality and exceptional handling characteristics on the water have made her an ideal choice for many.

The hull is by Hans J Johnsen, and, believe me, this hull will stay planted, dry and comfortable when much bigger boats are struggling. The 28 has a full-width cockpit (access forward is through the central windscreen section) with twin gas-sprung and bolstered helm/navigators seats forward, a central seating section, and then a huge aft sunpad which sits on top of the powered engine bay hatch.

Below decks, there is a neat galley to port, with a sink, diesel hob (so there is no gas on board – or any need to be on shore power to cook) and preparation surface. Facing the galley is a separate heads compartment with a manual wc and a sink. The forward saloon is a large, wrap-around dinette with a central table which lowers to make a very good-sized double berth as required. There is plenty of light and ventilation, and all surfaces are properly trimmed (as you should expect) with top quality materials to make your time on board as comfortable and relaxed as is possible.

Her machinery space is easy to work in, with plenty of space and easy access to main service items, with a central lazarette space and storage under the side seating for general cruising kit. In short, the 28 Ghibli is highly versatile, sea-sure and fun. Why wouldn't you?

Tankage

- Fuel tank (aluminium) – approx 375 litres (18 gallons)
- Water tank (aluminium) – approx 80 litres (81 gallons)
- Fuel & water tank level gauges

Electrical Equipment

- 12v Electrical system
- Engine batteries (1)
- Service battery (1)
- Windscreen wipers

- Horn
- Electric & manual bilge pumps
- Navigation lights
- Switch panel & circuit breakers
- 1000W Anchor winch, 10kg stainless steel anchor and chain

Plumbing Systems

- Pressurised domestic water system
- Shower on transom
- Sink in main cabin with tap

Arrangement from Forward

Main cabin:

- Luxury fittings in high gloss wood finish
- Galley top in high grade composite
- Wallas diesel fired ceramic hob
- Sink with thermostatic mixer tap
- Refrigerator
- Lockers & shelves
- Down-lights
- Curtains
- Roof hatch
- Opening port-lights

Heads / shower compartment:

- Manual Jabsco heads
- Mirror
- Opening port-light
- Sink with tap
- Toilet roll holder
- Towel hooks
- Down-lights with chrome surrounds
- Ventilator

Cockpit

- Large L-shaped sofa
- Sofa converting into a large sunbathing platform
- Electro/hydraulic engine opening engine hatch
- Adjustable pilot & co-pilot seats
- Lazarette
- Fire extinguisher
- Self draining cockpit
- Shower on bathing platform
- Canopy bars in stainless steel (dedicated storage in engine space)

Deck Fittings

- Windscreen
- Stainless steel bow roller
- Stainless steel pulpit
- Stainless steel deck cleats (6)

- Stainless steel rubbing strake
- Anchor chain locker with hatch
- Flag pole & socket
- Bathing ladder on bathing platform

Exclusions

Owner's personal belongings.
